The "Clerical, Technical Professional Program (CTAP)" and the "Employee Profile System (DEPS)" System of Records still exist and are covered by the Office of Personnel Management System Notice, "General Personnel Records OPM/GOVT-1."

DEA is deleting the "Stride/Ballistics, JUSTICE/DEA-014," System of Records which was last published in the **Federal Register** on December 11, 1987 (52 FR 47200). This System of Records was erroneously reported as a Privacy Act System of Records. The records contained in the system are not retrievable by an individual's name or personal identifier and, thus, do not constitute a Privacy Act System of Records.

A proposal to remove the "International Intelligence Data Base, JUSTICE/DEA-007," the "Regional Automated Intelligence System (RAIDS), JUSTICE/DEA-028," and the "Agent Recruit Assessment Program, JUSTICE/DEA-030" appeared in the **Federal Register** on July 24, 1984, (49 FR 29857). These Systems of Records were erroneously listed in the 1997 Department of Justice Compilation of Privacy Act Systems of Records. It has been determined that these Systems of Records no longer exist. For clarification, these systems are again referenced in this Notice of Removal.

Therefore, the "International Intelligence Data Base," the "Medical Records," the "Stride/Ballistics," the "Drug Enforcement Administration Accounting System (DEAAS II)," the "Clerical, Technical Professional Program (CTAP)," the "Employee Profile System (DEPS)," the "Regional Automated Intelligence System (RAIDS)," the "Agent Recruit Assessment Program" are hereby removed from the Department of Justice's compilation of Privacy Act System.
