

margin of 0.69 percent exists for SKC for the period June 1, 1997 through May 31, 1998.

The U.S. Customs Service will assess antidumping duties on all appropriate entries. The Department will issue appraisal instructions directly to the Customs Service. We have calculated an importer specific assessment value for subject merchandise based on the ratio of the total amount of antidumping duties calculated for the examined sales to the total entered value of sales examined.

Furthermore, the following deposit requirements shall be required for all shipments of PET film from the Republic of Korea entered, or withdrawn from warehouse, for consumption on or after the publication date of these final results of this review, as provided by section 751(a)(1) of the Act: (1) The cash deposit for SKC shall be 0.69 percent; (2) for merchandise exported by manufacturers or exporters not covered in this review but covered in the less-than-fair-value (LTFV) investigation or a previous review, the cash deposit will continue to be the most recent rate published in the final determination or final results for which the manufacturer or exporter received a company-specific rate; (3) if the exporter is not a firm covered in this review or the original investigation, but the manufacturer is, the cash deposit rate will be that established for the manufacturer of the merchandise in the final results of the most recent review or the LTFV investigation; and (4) if neither the exporter nor the manufacturer is a firm covered in this or any previous reviews, the cash deposit rate will be 21.5 percent the "all others" rate established in the LTFV investigation.

This notice serves as the final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This notice also serves as a reminder to parties subject to administrative protective orders (APOs) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a). Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested.

Failure to comply with the regulations and terms of an APO is a sanctionable violation.

This administrative review and notice is in accordance with section 751(a)(1) of the Act.

Robert S. LaRussa,

Assistant Secretary for Import Administration.

Continuation of Antidumping Duty Orders: Solid Urea From Belarus, Estonia, Lithuania, Romania, Russia, Tajikistan, Turkmenistan, Ukraine, and Uzbekistan

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of continuation of antidumping orders: solid urea from Belarus, Estonia, Lithuania, Romania, Russia, Tajikistan, Turkmenistan, Ukraine, and Uzbekistan.

SUMMARY: On September 3, 1999, the Department of Commerce ("the Department"), pursuant to sections 751(c) and 752 of the Tariff Act from 1930, as amended ("the Act"), determined that revocation of the antidumping duty orders on solid urea from Belarus, Estonia, Lithuania, Russia, Tajikistan, Turkmenistan, Ukraine, and Uzbekistan and the antidumping duty order on solid urea from Romania would be likely to lead to continuation or recurrence of dumping (64 FR 4835 (September 3, 1999) and 64 FR 48360 (September 3, 1999), respectively). On November 4, 1999, the International Trade Commission ("the Commission"), pursuant to section 751(c) of the Act, determined that revocation of the antidumping duty orders on solid urea from Belarus, Estonia, Lithuania, Romania, Russia, Tajikistan, Turkmenistan, Ukraine, and Uzbekistan would be likely to lead to continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time (64 FR 60225 (November 4, 1999)). Therefore, pursuant to 19 CFR 351.218(e)(4), the Department is publishing notice of the continuation of the antidumping duty orders on solid urea from Belarus, Estonia, Lithuania, Romania, Russia,

Tajikistan, Turkmenistan, Ukraine, and Uzbekistan.

EFFECTIVE DATE: November 17, 1999.

Martha V. Douthit or Melissa G. Skinner, Office of Policy for Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Ave., NW, Washington, DC 20230; telephone: (202) 482-5050 or (202) 482-1560, respectively.

SUPPLEMENTARY INFORMATION:

Background

On March 1, 1999, the Department initiated, and the Commission instituted, sunset reviews (64 FR 9970 and 64 FR 10020, respectively) of the antidumping duty orders on solid urea from Belarus, Estonia, Lithuania, Romania, Russia, Tajikistan, Turkmenistan, Ukraine, and Uzbekistan pursuant to section 751(c) of the Act. As a result of these reviews, the Department found that revocation of the antidumping duty orders would likely lead to continuation or recurrence of dumping and notified the Commission of the magnitude of the margin likely to prevail were the orders to be revoked (*see Final Results of Expedited Sunset Reviews: Solid Urea from Armenia, Belarus, Estonia, Lithuania, Russia, Ukraine, Tajikistan, Turkmenistan, and Uzbekistan*, 64 FR 48358 (September 3, 1999), and *Final Results of Expedited Sunset Review: Solid Urea from Romania*, 64 FR 48360 (September 3, 1999)).

On November 4, 1999, the Commission determined, pursuant to section 751(c) of the Act, that revocation of the antidumping duty orders on solid urea from Belarus, Estonia, Lithuania, Romania, Russia, Tajikistan, Turkmenistan, Ukraine, and Uzbekistan would be likely to lead to continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time (*see Solid Urea from Belarus, Estonia, Lithuania, Romania, Russia, Tajikistan, Turkmenistan, Ukraine, and Uzbekistan*, 64 FR 60225 (November 4, 1999), and USITC Pub. 3248, Investigations Nos. 731-TA-339 and 340-A-I (Review) October 1999).

Scope

The merchandise subject to these antidumping duty orders is solid urea. This merchandise was previously subject to an antidumping duty order on solid urea from the Union of Soviet Socialist Republics ("U.S.S.R."). However, with the dissolution of the U.S.S.R., the order was subsequently

transferred to all 15 republics (57 FR 28828, June 29, 1992). This merchandise is currently classifiable under the Harmonized Tariff Schedule ("HTS") of the United States item number 3201.10.00. The HTS item number is provided for convenience and customs purposes only. The written description remains dispositive.

Determination

As a result of the determinations by the Department and the Commission that revocation of these antidumping duty orders would be likely to lead to continuation or recurrence of dumping and material injury to an industry in the United States, pursuant to section 751(d)(2) of the Act, the Department hereby orders the continuation of the antidumping duty orders on solid urea from Belarus, Estonia, Lithuania, Romania, Russia, Tajikistan, Turkmenistan, Ukraine, and Uzbekistan. The Department will instruct the U.S. Customs Service to continue to collect antidumping duty deposits at the rate in effect at the time of entry for all imports of subject merchandise. The effective date of continuation of these orders will be the date of publication in the **Federal Register** of this Notice of Continuation.

Pursuant to section 751(c)(6)(A) of the Act, the Department intends to initiate the next five-year review of these orders not later than October 2004.

Dated: November 10, 1999.

Assistant Secretary for Import Administration.
