Job Corps: Preliminary Finding of No Significant Impact (FONSI) for the New Job Corps Center Located at 9 Vandever Avenue, Wilmington, Delaware

AGENCY: Employment and Training Administration, Labor.

ACTION: Preliminary Finding of No Significant Impact (FONSI) for the New Job Corps Center to be located at 9 Vandever Avenue, Wilmington, Delaware.

SUMMARY: Pursuant to the Council on Environmental Quality Regulation (40 CFR Part 1500-08) implementing procedural provisions of the National Environmental Policy Act (NEPA), and the Department of Labor, Employment and Training Administration, Office of Job Corps, in accordance with 29 CFR 11.11(d), gives notice that an Environmental Assessment (EA) has been prepared and the proposed plans for a new Job Corps Center will have no significant environmental impact. This Preliminary Finding of No Significant Impact (FONSI) will be made available

for public review and comment for a period of 30 days.

DATES: Comments must be submitted by December 20, 1999.

ADDRESSES: Any comment(s) are to be submitted to Michael O'Malley, Employment and Training Administration, Department of Labor, 200 Constitution Avenue, NW, Room N-4659, Washington, DC, 20210, (202) 219-5468 ext 115 (this is not a toll-free number).

FOR FURTHER INFORMATION CONTACT: Copies of the EA and additional information are available to interested parties by contacting James Bodnar, Regional Director, Region III Office of Job Corps, 3535 Market Street, Room 12220, Philadelphia, PA 19104, (215) 596-6301 (this is not a toll-free number).

SUPPLEMENTARY INFORMATION: The Environmental Assessment (EA) addresses the proposed conversion of a vacated textile manufacturing facility located at 9 Vandever Avenue, 14 blocks from the downtown area of Wilmington, Delaware, for the proposed Wilmington Job Corps Center. The U.S. Department of Labor will not be purchasing the property, but will be leasing the property from the State of Delaware for a 50-year lease term. The building is estimated to have been built in 1884, and has been vacant since 1995. The State of Delaware received title to the subject property in March 1999.

The EA identifies the subject property as an approximately 2.13-acre parcel, including a 3-story building with approximately 113,800-square feet of floor space, and a small paved area. The building covers approximately eighty (80) percent of the subject property parcel, and its walls coincide with the parcel boundaries on the east, south, and west sides. The remaining twenty (20) percent of the site is a paved area along the northern side of the building adjacent to 22nd Street. Next to the subject property are two (2) parking lots owned by the State of Delaware and one (1) commercial parking lot. The proposed Job Corps Center project will include demolition of the existing structure, and construction of a single, two story building which will contain six (6) functions: administration, academic education, vocational education, a cafeteria, culinary arts training, and a maintenance/storage support area. The proposal is for an initial program enrollment of 150 non-resident students.

The construction of the Job Corps Center on this abandoned, developed site would be a positive asset to the area in terms of environmental and
