CNG Transmission Corporation; Notice of Proposed Changes in FERC Gas Tariff

November 24, 1999.

Take notice that on November 19, 1999, CNG Transmission Corporation (CNG) filed revised tariff sheets to comply with the letter order of Director of the Office of Pipeline Regulation dated November 17, 1999.

As explained in the filing, CNG has renumbered its proposed tariff sheets to eliminate duplicate tariff sheet numbers.

CNG states that copies of its letter of transmittal and enclosures are being served upon parties to the proceeding and to interested state commissions.

Any person desiring to protest this filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426, in accordance with section 385.211 of the Commission's rules and regulations. All such protests must be filed as provided in section 154.210 of the Commission's regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room. This filing may be viewed on the web at <http://www.ferc.fed.us/online/rims.htm> (call (202) 208-2222 for assistance).

CNG states that the purpose of this filing is to implement a new rate schedule and associated form of service agreement, Rate Schedule TTT, authorizing CNG to provide title transfer tracking services. TTT service is an administrative service, under which CNG provides buyers and sellers of gas with accounting locations (Eligible Points) for the nomination of title transfers on the CNG system. As with CNG's existing Mainline Pooling Service (Rate Schedule MPS), the Eligible Points for proposed TTT Service will correspond to one location for receipts upstream (or south) of CNG's Valley Gate Junction, and one relating to quantities downstream (or north) of Valley Gate.

CNG states that copies of its letter of transmittal and enclosures are being mailed to CNG's customers and interested state commissions.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with sections 385.214 or 385.211 of the Commission's rules and regulations. All such motions or protests must be filed in accordance with section 154.210 of the Commission's regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.
