SUPPLEMENTARY INFORMATION:

Background

The final phase of these investigations is being scheduled as a result of affirmative preliminary determinations by the Department of Commerce that imports of certain cold-rolled steel products are subsidized by the Government of Brazil, and imports of certain cold-rolled steel products from Argentina, Brazil, Japan, Russia, South Africa, Thailand, and Venezuela are being sold in the United States at less than fair value within the meaning of sections 703 and 733 of the Act (19 U.S.C. 1671b and 19 U.S.C. 1673b). The investigations were requested in petitions filed on June 2, 1999, by Bethlehem Steel Corporation (Bethlehem, PA); U.S. Steel Group (Pittsburgh, PA); Ispat Inland, Inc. (East Chicago, IL); LTV Steel Co., Inc. (Cleveland, OH); National Steel Corporation (Mishawaka, IN); Gulf States Steel, Inc. (Gadsden, AL); Steel Dynamics Inc. (Butler, IN); Weirton Steel Corporation (Weirton, WV); and the United States Steelworkers of America, Pittsburgh, PA.

The petitions also alleged that an industry in the United States is materially injured or threatened with material injury, or the establishment of an industry in the United States is materially retarded by imports sold at less than fair value from China, Indonesia, Slovakia, Taiwan, and Turkey. The Commission made affirmative preliminary injury determinations with regard to those imports. Commerce has postponed its preliminary determinations concerning whether imports from these countries are sold at less than fair value. In the event Commerce makes affirmative preliminary determinations the Commission will activate the final phase of these antidumping investigations. The briefing schedule, hearing, and other deadlines as outlined below will also apply to these investigations.

Participation in the Investigations and Public Service List

Persons, including industrial users of the subject merchandise and, if the merchandise is sold at the retail level, representative consumer organizations, wishing to participate in the final phase of these investigations as parties must file an entry of appearance with the Secretary to the Commission, as provided in section 201.11 of the Commission's rules, no later than 21 days prior to the hearing date specified in this notice. A party that filed a notice of appearance during the preliminary phase of the investigations need not file

an additional notice of appearance during this final phase. The Secretary will maintain a public service list containing the names and addresses of all persons, or their representatives, who are parties to the investigations.

Limited Disclosure of Business Proprietary Information (BPI) Under an Administrative Protective Order (APO) and BPI Service List

Pursuant to section 207.7(a) of the Commission's rules, the Secretary will make BPI gathered in the final phase of these investigations available to authorized applicants under the APO issued in the investigations, provided that the application is made no later than 21 days prior to the hearing date specified in this notice. Authorized applicants must represent interested parties, as defined by 19 U.S.C. 1677(9), who are parties to the investigations. A party granted access to BPI in the preliminary phase of the investigations need not reapply for such access. A separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO.

Staff Report

The prehearing staff report in the final phase of these investigations will be placed in the nonpublic record on January 6, 2000, and a public version will be issued thereafter, pursuant to section 207.22 of the Commission's rules.

The Commission will hold a hearing in connection with the final phase of these investigations beginning at 9:30 a.m. on January 20, 2000, at the U.S. International Trade Commission Building. Requests to appear at the hearing should be filed in writing with the Secretary to the Commission on or before January 12, 2000. A nonparty who has testimony that may aid the Commission's deliberations may request permission to present a short statement at the hearing. All parties and nonparties desiring to appear at the hearing and make oral presentations should attend a prehearing conference to be held at 9:30 a.m. on January 18, 2000, at the U.S. International Trade Commission Building. Oral testimony and written materials to be submitted at the public hearing are governed by sections 201.6(b)(2), 201.13(f), and 207.24 of the Commission's rules. Parties must submit any request to present a portion of their hearing testimony *in camera* no later than 7 days prior to the date of the hearing.

Written Submissions

Each party who is an interested party shall submit a prehearing brief to the Commission. Prehearing briefs must conform with the provisions of section 207.23 of the Commission's rules; the deadline for filing is January 13, 2000. Parties may also file written testimony in connection with their presentation at the hearing, as provided in section 207.24 of the Commission's rules, and posthearing briefs, which must conform with the provisions of section 207.25 of the Commission's rules. The deadline for filing posthearing briefs is January 27, 2000; witness testimony must be filed no later than three days before the hearing. In addition, any person who has not entered an appearance as a party to the investigations may submit a written statement of information pertinent to the subject of the investigations on or before January 27, 2000. On February 16, 2000, the Commission will make available to parties all information on which they have not had an opportunity to comment. Parties may submit final comments on this information on or before February 18, 2000, but such final comments must not contain new factual information and must otherwise comply with section 207.30 of the Commission's rules. All written submissions must conform with the provisions of section 201.8 of the Commission's rules; any submissions that contain BPI must also conform with the requirements of sections 201.6, 207.3, and 207.7 of the Commission's rules. The Commission's rules do not authorize filing of submissions with the Secretary by facsimile or electronic means.

In accordance with sections 201.16(c) and 207.3 of the Commission's rules, each document filed by a party to the investigations must be served on all other parties to the investigations (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

Authority: These investigations are being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to section 207.21 of the Commission's rules.

Issued: November 23, 1999.

By order of the Commission.
