**SUPPLEMENTARY INFORMATION:**

**Authority:** Section 204 of the Agricultural Act of 1956, as amended (7 U.S.C. 1854); Executive Order 11651 of March 3, 1972, as amended.

A notice published in the **Federal Register** on September 27, 1999 (64 FR 51962) announced that the Government of the United States had requested consultations with the Government of Belarus with respect to glass fiber fabric in Category 622, produced or manufactured in Belarus, and that, if no solution was agreed upon in consultations with the Government of Belarus, the Government of the United States reserved its right to establish a twelve-month limit of not less than 6,480,552 square meters for the entry for consumption and withdrawal from warehouse for consumption of glass fiber fabric in Category 622, produced or manufactured in Belarus.

As no solution was agreed upon in consultations, the Government of the United States has decided to limit imports in this category for the twelve-month period beginning on September 17, 1999 and extending through September 16, 2000.

The United States remains committed to finding a mutual solution concerning Category 622. Should such a solution be reached in consultations with the Government of Belarus, further notice will be published in the **Federal Register**.

This limit may be revised if Belarus becomes a member of the World Trade Organization (WTO) and the United States applies the WTO agreement to Belarus.

A description of the textile and apparel categories in terms of HTS

numbers is available in the **CORRELATION: Textile and Apparel Categories with the Harmonized Tariff Schedule of the United States** which is published elsewhere in this issue of the **Federal Register**.

Dear Commissioner: Pursuant to section 204 of the Agricultural Act of 1956, as amended (7 U.S.C. 1854); Executive Order 11651 of March 3, 1972, as amended; you are directed to prohibit, effective on January 1, 2000, entry into the United States for consumption and withdrawal from warehouse for consumption of glass fiber fabric products in Category 622, produced or manufactured in Belarus and exported during the twelve-month period beginning on September 17, 1999 and extending through September 16, 2000, in excess of 6,480,552 square meters.<sup>1</sup>

Textile products in Category 622 which have been exported to the United States prior to September 17, 1999 shall not be subject to this directive.

Textile products in this category which have been released from the custody of the U.S. Customs Service under the provisions of 19 U.S.C. 1448(b) or 1484(a)(1) prior to the effective date of this directive shall not be denied entry under this directive.

This limit may be revised if Belarus becomes a member of the World Trade Organization (WTO) and the United States applies the WTO agreement to Belarus.

Import charges will be provided at a later date.

In carrying out the above directions, the Commissioner of Customs should construe entry into the United States for consumption to include entry for consumption into the Commonwealth of Puerto Rico.
