Foreign-Trade Zones Board

[Docket 65-99]

Proposed Foreign-Trade Zone—Victorville, CA; Application and Public Hearing

An application has been submitted to the Foreign-Trade Zones (FTZ) Board (the Board) by the Southern California Logistics Airport Authority (a California public corporation), to establish a general-purpose foreign-trade zone in Victorville, California. The U.S. Customs Service has designated the Southern California Logistics Airport as a Customs user fee airport. The application was submitted pursuant to the provisions of the FTZ Act, as amended (19 U.S.C. 81a-81u), and the regulations of the Board (15 CFR part 400). It was formally filed on December 16, 1999. The applicant is authorized to make the proposal under section 6302 of the California Code.

The proposed zone site (1,954 acres) is located at the Southern California Logistics Airport complex (the former George Air Force Base), 18374 Readiness Street, Victorville. The site includes air cargo and intermodal transfer facilities. The U.S. Air Force is in the process of transferring the facility to the applicant, which will operate the commercial airport complex, as well as the foreign-trade zone.

The application indicates a need for foreign-trade zone services in the Victorville/east central San Bernardino County region. Several firms have indicated an interest in using zone procedures for warehousing/distribution activity. Specific manufacturing approvals are not being sought at this time. Requests would be made to the Board on a case-by-case basis.

In accordance with the Board's regulations, a member of the FTZ Staff has been designated examiner to investigate the application and report to the Board.

As part of the investigation, the Commerce examiner will hold a public hearing on February 3, 2000, 10 a.m., at the Victorville City Hall Council Chambers, 14343 Civic Drive, Victorville, California 92392.

Public comment on the application is invited from interested parties. Submissions (original and 3 copies) shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is February 18, 2000. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period (to March 6, 2000).

A copy of the application and accompanying exhibits will be available during this time for public inspection at the following locations:

Victorville Public Library, 15011 Circle Drive, Victorville, California 92392.
