Papillon Ribbon & Bow Company a/k/a/ Alpha Trims New York, New York; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974 (19 U.S.C. 2273) the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on January 19, 1999, applicable to all workers of Papillon Ribbon & Bow Company, New York, New York. The notice was published in the **Federal Register** on January 29, 1999 (64 FR 4712).

At the request of the petitioners, the Department reviewed the certification for workers of the subject firm. The workers were engaged in the design and manufacture of garment trimming accessories. Findings show that some workers separated from employment at Papillon Ribbon & Bow Company had

their wages reported under a separate unemployment insurance (UI) tax account for Alpha Trims, New York, New York.

The intent of the Department's certification is to include all workers of Papillon Ribbon & Bow Company who were adversely affected by increased imports. Accordingly, the Department is amending the certification to reflect this matter.

The amended notice applicable to TA-W-35,343 is hereby issued as follows:

All workers of Papillon Ribbon & Bow Company, also known as Alpha Trims, New York, New York who became totally or partially separated from employment on or after November 30, 1997 through January 19, 2001 are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974.

Signed at Washington, DC, this 5th day of February, 1999.

Grant D. Beale,

Acting Director, Office of Trade Adjustment Assistance.

Pluma, Incorporated Rocky Mount, Virginia; Notice of Revised Determination on Reopening

On December 18, 1998, the Department issued a Negative Determination Regarding Eligibility to apply for worker adjustment assistance, applicable to workers and former workers of Pluma, Incorporated, located in Rocky Mount, Virginia. The notice was published in the **Federal Register** on January 25, 1999 (64 FR 3720).

By letter of January 11, 1999, officials of Pluma, Incorporated submitted information regarding the closure of the subject firm plant in Rocky Mount, Virginia. Based on this new evidence, the Department reopened the petition investigation.

The initial investigation resulted in a negative determination based on the finding that the "contributed importantly" test of the Group Eligibility Requirements of the Trade Act was not met for workers at the subject firm producing knitted activewear (fleecewear).

New findings on reopening reveal that sales, production and employment at Pluma, Incorporated, Rocky Mount, Virginia will decline to zero with the plant closure beginning April 1999. Company imports of fleecewear increased in quantity from 1997 to 1998.

Conclusion

After careful consideration of the new facts obtained on reopening, it is concluded that increased imports of articles like or directly competitive with articles produced by the subject firm contributed importantly to the decline in sales and to the total or partial separation of workers of the subject firm. In accordance with the provisions of the Trade Act of 1974, I make the following revised determination:

"All workers of Pluma, Incorporated, Rocky Mount, Virginia, who became totally or partially separated from employment on or after October 15, 1997, are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974."

Signed in Washington, DC this 9th day of February 1999.

Grant D. Beale,

Acting Director, Office of Trade Adjustment Assistance.

Rockwell Semiconductor Systems—Colorado Springs, Inc. Including Workers of Guards-Mark, Inc., Colorado Springs, CO; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974 (19 U.S.C. 2273) the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on January 8, 1999, applicable to all workers of Rockwell Semiconductor Systems—Colorado Springs, Inc. located in Colorado Springs, Colorado. The notice was published in the **Federal Register** on January 29, 1999 (64 FR 4712).

At the request of the State agency, the Department reviewed the certification for workers of the subject firm. New information provided by the company shows that some workers at Rockwell Semiconductor Systems were leased from Guards-Mark, Inc., Colorado Springs, Colorado to provide security

detail at the Colorado Springs, Colorado facility. Worker separations occurred at Guards-Mark as a result of closing the Colorado Springs, Colorado location of Rockwell Semiconductor Systems. Based on these findings, the Department is amending the certification to include leased workers from Guard-Mark, Inc., Colorado Springs, Colorado.

The intent of the Department's certification is to include all workers of Rockwell Semiconductor Systems—Colorado Springs, Inc. adversely affected by imports.

The amended notice applicable to TA-W-35,192 is hereby issued as follows:

All workers of Rockwell Semiconductor Systems—Colorado Springs, Inc and leased workers of Guards-Mark, Inc., Colorado Springs, Colorado that provided security detail for Rockwell Semiconductor Systems—Colorado Springs, Inc., Colorado Springs, Colorado who became totally or partially separated from employment on or after October 28, 1997 through January 8, 2001 are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974.

Signed at Washington, DC this 8th day of February, 1999.
