DEPARTMENT OF HEALTH AND HUMAN SERVICES

Public Health Service

Centers for Disease Control and Prevention, Statement of Organization, Functions, and Delegations of Authority

Part C (Centers for Disease Control and Prevention) of the Statement of Organization, Functions, and Delegations of Authority of the Department of Health and Human Services (45 FR 67772-76, dated October 14, 1980, and corrected at 45 FR 69296, October 20, 1980, as amended most recently at 64 FR 5308-5310, dated February 3, 1998) is amended to reflect the (1) establishment of the Facilities Engineering Office, the Facilities Planning and Project Management Office, and the Design and Construction Management Office, and (2) the abolishment of the Engineering Services Office within the Office of Program Support, Centers for Disease Control and Prevention (CDC).

Section C-B, Organization and Functions, is hereby amended as follows:

Delete in their entirety the title and functional statements for the *Engineering Services Office (CA52)*, *Office of Program Support (CA5)*, and insert the following:

Facilities Engineering Office CA52. (1) Operates, maintains, repairs, and modifies CDC's Atlanta area plant facilities and other designated CDC facilities throughout the United States and Puerto Rico and conducts a maintenance and repair program for CDC's program support equipment; (2) develops services for new, improved, and modified equipment to meet program needs; (3) provides technical assistance, reviews maintenance and operation programs, and recommends appropriate action for all Atlanta area facilities and other designated CDC facilities throughout the United States and Puerto Rico; (4) provides recommendations, priorities, and services for new, improved, or modified equipment to meet program needs; (5) provides maintenance and operation of the central energy plant including structures, utilities production and utilities distribution systems and equipment; (6) conducts a program of

custodial services, waste disposal, incinerations, and disposal of biological waste and other building services at all CDC Atlanta area facilities and other designated CDC facilities throughout the United States and Puerto Rico; (7) provides landscape development, repair, and maintenance at all CDC Atlanta area facilities and other designated CDC facilities throughout the United States and Puerto Rico; (8) provides hauling and moving services for CDC in the Atlanta area; (9) provides insect and rodent control services for CDC in Atlanta area facilities; (10) develops required contractual services and provides supervision for work performed in these areas; (11) establishes and maintains a computerized system for maintenance services and for stocking and ordering supplies and replacement parts; (12) provides for pick-up and delivery of supplies and replacement parts to work sites; (13) maintains adequate stock levels of supplies and replacement parts; (14) as needed, prepares designs and contract specifications and coordinates completion of contract maintenance projects; (15) manages CDC's Energy Conservation Program for all CDC facilities; (16) reviews all construction documents for energy conservation goals and compliance with applicable CDC construction standards; (17) participates on all core teams and value engineering teams; (18) provides maintenance and inspection for fire extinguishers and fire sprinkler systems; (19) provides services for the procurement of natural gas; (20) develops and maintains a standard equipment list for all CDC facilities; (21) assists the Design and Construction Management Office and the Facilities Planning and Project Management Office with facility-related issues.

After the title and functional statement for the *Information Resources Management Office (CA54)*, insert the following:

Design and Construction Management Office (CA55). (1) Develops architectural designs and engineering specifications for construction of new facilities and major modifications and renovations to CDC-owned facilities; (2) provides architectural and engineering technical services and consultation on facility project designs; (3) provides in-house construction administration services for CDC-owned facilities in Atlanta; (4) manages interior design and furniture standards; (5) coordinates development and determination of best methods and means for the planning and conduct of assigned projects, including selection of resources.

Facilities Planning and Project Management Office (CA56). (1) Provides professional architectural/engineering capabilities and technical and administrative project support to CDC and the CIOs for renovations and improvements to CDC-owned facilities and construction of new facilities; (2) prioritizes design and construction needs for requested CIO projects; (3) manages and administers the CDC renovations and improvement (R&I) budget; (4) develops project management requirements (including determination of methods and means of project completion and selection of resources), funding sources, and budgets; (5) serves as the point of contact with CIOs for administration and coordination of all facilities-related needs, i.e., project planning, evaluation, estimation, and tracking.
