#### **NCC Industries, Incorporated, Cortland, NY; Notice of Revised Determination on Reopening**

On October 13, 1998 the Department issued a Negative Determination Regarding Eligibility to apply for worker adjustment assistance, applicable to workers and former workers of NCC Industries, Inc., Cortland, New York. The notice was published in the **Federal Register** on October 23, 1998 (63 FR 56942).

By letter of November 10, 1998, the petitioners requested administrative reconsideration regarding the Department's denial. New information provided by the petitioners and the company indicate that the workers would have been covered under a previous certification (TA-W-32,428) except that the layoffs occurred after that petition expired on August 9, 1998. Information from the company states that the original layoff schedule for workers at the subject facility occurred over a longer period of time than originally anticipated due to unanticipated exigencies resulting from a shift in production to an off-shore location. It is the Department's intent to cover all of the affected workers impacted by increased imports at the subject firm.

After careful review of the additional facts obtained on reopening, I conclude that increased imports of articles like or directly competitive with women's
