DEPARTMENT OF THE INTERIOR

National Park Service

Adoption of Proposed Leasing Regulations/Guidelines for the El Portal Administrative Site Yosemite National Park, Mariposa County, CA; Request for Public Comment

SUMMARY: The National Park Service is responsible for the management and administration of the El Portal Administrative Site. To facilitate these activities the Superintendent of Yosemite National Park, acting on behalf of the Secretary of the Interior, has been authorized to issue leases for lands within the Administrative Site subject to terms, conditions, and guidelines as are appropriate to assure the proper administration, protection, and development of the site. The adoption proposed will establish the qualifications of persons and corporations who may be eligible to acquire a lease, the process used to establish lease fees, and the circumstances under which the Superintendent of Yosemite National Park may acquire unexpired leases.

Background

Sections 47-1 through 47-6 of Title 16, United States Code, govern the Superintendent's management and administration of the El Portal Administrative Site ("Site"). Section 47-1 states that in order "to preserve the extraordinary natural qualities of Yosemite National Park", the Superintendent is authorized to manage the Site such that "utilities, facilities, and services required in the operation and administration of Yosemite National Park may be located on such site outside the Park." To effectuate this goal, the Superintendent has been authorized under Section 47-2 to issue leases directly or through a Contract Lease Manager subject to such terms, conditions, and guidelines as are appropriate to assure proper

administration, protection, and development of the Site and the Park.

Before leases can be issued, however, the Superintendent must prepare suitable guidance regarding the issuance and management of leases. Section 47-5 states: "Such regulations shall establish the qualifications of natural persons and corporations who may be eligible to acquire a lease and a sublease, the process to be used in establishing fees for such leases and subleases, and they shall set forth the circumstances under which the Secretary may elect to acquire any unexpired lease or sublease." Thus established is a guiding framework for the residential and commercial leasing of government-owned lands and structures within the Site. Also provided thereby is program funding, by establishing a Fair Rental Value for leased property, and means to determine an appropriate Permit Fee for permitted property within the El Portal Administrative Site. Funds collected will be used as directed in 16 U.S.C. 47-3.

FOR FURTHER INFORMATION CONTACT: The Office of Special Park Uses, P.O. Box 700, El Portal, California 95318, (209) 379-9238.
