Office of Inspector General

Healthcare Integrity and Protection Data Bank: Announcement of Opening Date for Querying and User Fees

AGENCY: Office of Inspector General (OIG), HHS.

ACTION: Notice.

SUMMARY: In accordance with final regulations implementing the Healthcare Integrity and Protection Data Bank (HIPDB) published in the **Federal Register** on October 26, 1999 (64 FR 57740), the Office of Inspector General (OIG) is announcing that the data bank

will become operational for purposes of requesting information (querying) on health care practitioners, providers or suppliers, on March 6, 2000. The HIPDB had become operational for purposes of reporting information and accepting self-queries, as set forth in a **Federal Register** notice published on November 22, 1999 (64 FR 58851). In addition, the Department now is exercising its authority to impose a \$4 fee for queries submitted by authorized entities to query the HIPDB, and a \$10 fee for use of the Interactive Search Capability of the data bank that is available to authorized law enforcement agencies. In accordance with § 61.13 of the HIPDB final regulations, the HIPDB will assess a fee on all requests for information, except requests from Federal agencies.

SUPPLEMENTARY INFORMATION:

1. Opening Date for Querying

The HIPDB will accept queries from authorized entities, including authorized law enforcement agencies, beginning March 6, 2000. To submit queries, registered entities must use the HIPDB website at www.npdb-hipdb.com. Specific guidelines for querying also can be found on this website.

2. User fee amount

Section 1128E(d)(2) of the Social Security Act (the Act), as added by section 221(a) of the Health Insurance Portability and Accountability Act (HIPAA) of 1996, specifically authorizes the establishment of fees for the costs of processing requests for disclosure and for providing such information, and the final regulations at 45 CFR part 61 set forth the criteria and procedures for information to be reported to and disclosed by the HIPDB. The Act requires that the Department recover the full costs of operating the HIPDB through user fees. In determining any changes in the amount of the user fee, the Department is employing the criteria set forth in § 61.13(b) of the HIPDB regulations.

Specifically, § 61.13(b) states that the amount of each fee will be determined based on the following criteria:

- Direct and indirect personnel costs;
- Physical overhead, consulting, and other indirect costs including rent and depreciation on land, buildings and equipment;
- Agency management and supervisory costs;
- Costs of enforcement, research and establishment of regulations and guidance;
- Use of electronic data processing equipment to collect and maintain information, *i.e.*, the actual cost of the
