

distribution to its customers and to manufacture methylphenidate for qualification and distribution to a customer.

DEA has considered the factors in Title 21, United States Code, Section 823(a) and determined that the registration of Nycomed, Inc. to manufacture the listed controlled substances is consistent with the public interest at this time. DEA has investigated Nycomed, Inc. on a regular basis to ensure that the company's continued registration is consistent with the public interest. These investigations have included inspection and testing of the company's physical security system, audits of the company's records, verification of the company's compliance with state and local laws, and a review of the company's background and history. Therefore, pursuant to 21 U.S.C. 823 and 28 CFR §§ 0.100 and 0.104, the Deputy Assistant Administrator, Office of Diversion Control, hereby orders that the application submitted by the above firm for registration as a bulk manufacture of the basic classes of controlled substances listed above is granted.

Dated: February 25, 2000.

John H. King,

Deputy Assistant Administrator, Office of Diversion Control, Drug Enforcement Administration.

BILLING CODE 4510-22-M

DEPARTMENT OF LABOR

Employment and Training Administration

Office of Workforce Security; Proposed Collection; Comment Request

AGENCY: Employment and Training Administration, Department of Labor.

ACTION: Notice.

SUMMARY: The Department of Labor, as part of its continuing effort to reduce paperwork and respondent burden conducts a pre-clearance consultation program to provide the general public and Federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995 (PRA95) [44 U.S.C. 3506(c)(2)(A)]. This program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements on respondents can be properly assessed. Currently, the Employment and Training

Administration is soliciting comments concerning the proposed extension of the ETA 191, Statement of Expenditures and Financial Adjustments of Federal Funds for Unemployment Compensation for Federal Employees and Ex-Service members. A copy of the proposed information collection request (ICR) can be obtained by contacting the office listed below in the addressee section of this notice.

DATES: Written comments must be submitted to the office listed in the addressee's section below on or before May 5, 2000.

ADDRESSES: Sharon L. Jones, U.S. Department of Labor, Employment And Training Administration, Office Of Workforce Security, Room S4231, 200 Constitution Ave, NW, Washington, DC, 20210; telephone number (202) 219-5312 ext. 373 (this is not a toll-free number); fax (202) 219-8506.

SUPPLEMENTARY INFORMATION:

I. Background

Public Law 97-362, Miscellaneous Revenue Act of 1982 amended the Unemployment Compensation for Ex-Service members (UCX) law (5 USC 8509) and Public Law 96-499, Omnibus Reconciliation Act amended the Unemployment Compensation for Federal Employees (UCFE) law (5 USC 8501, *et. seq.*) requiring each Federal employing agency to pay the costs of regular and extended UCFE/UCX benefits paid to its employees by the State employment security agencies (SESAs). The ETA 191 report submitted quarterly by each SESA show the amount of benefits that should be charged to each Federal employing agency. The Employment and Training Administration uses this information to aggregate the SESA quarterly charges and submit one official bill to each Federal agency being charged. Federal agencies then reimburse the Federal Employees Compensation (FEC) Account, maintained by the U.S. Treasury.

II. Review Focus

The Department of Labor is particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary

for the proper performance of the functions of the agency, including whether the information will have practical utility;

- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

III. Current Actions

This collection continues to be needed to assure that the provisions of law are met regarding the requirement for each Federal agency to meet its obligations for paying for its unemployment compensation costs and to assure that SESAs are reimbursed properly for their expenditures of UCFE and UCX benefit on behalf of the Federal agencies.

Type of Review: Extension (without change).

Agency: Employment and Training Administration.
