BILLING CODE 4410-CJ-M

DEPARTMENT OF LABOR

Office of Labor-Management Standards

29 CFR Part 403

RIN 1215-AB29

Labor Organization Annual Financial Reports

AGENCY: Office of Labor-Management Standards, Employment Standards Administration, Labor.

ACTION: Final rule; correction.

SUMMARY: This document contains corrections to information contained in the final rule published on December 21, 1999 (64 FR 71622). That final rule made several technical changes to the annual financial reporting forms filed by labor organizations and to the Department of Labor's regulations in which the reporting forms are prescribed.

EFFECTIVE DATE: January 1, 2000.

FOR FURTHER INFORMATION CONTACT: Kay H. Oshel, Chief, Division of Interpretations and Standards, Office of Labor-Management Standards, Employment Standards Administration, U.S. Department of Labor, Room N-5605, Washington, DC 20210, (202) 693-0123 (this is not a toll-free number).

SUPPLEMENTARY INFORMATION: The final rule that is the subject of this correction made a number of minor and technical changes to the annual financial reporting forms filed by labor organizations under the Labor-Management Reporting and Disclosure Act of 1959, as amended (Forms LM-2, LM-3, and LM-4), and to the regulations in which the reporting forms are prescribed, 29 CFR part 403. The annual financial reports are also filed by federal sector labor organizations pursuant to the regulations implementing the standards of conduct provisions of the Civil Service Reform Act of 1978, 5 U.S.C. 7120, and the Foreign Service Act of 1980, 22 U.S.C. 1017. The purposes of the final rule were to (1) give notice that the Department has redesigned the reporting forms so that they can be optically scanned and made available on the Internet, and (2) revise the Department's regulations accordingly.

Two inadvertent errors were made in the "Supplementary Information" portion of the final rule of December 21, 1999. First, in describing the impact of the effective date of January 1, 2000 on the reporting requirements, it was incorrectly stated (on page 71623, in the first paragraph of the first column) that "labor organizations will file the new reporting forms and format for fiscal years beginning on and after January 1, 2000." However, the effective date of January 1, 2000 means that the newly redesigned reporting forms are to be used by labor organizations for fiscal years ending on and after January 1, 2000 rather than for fiscal years beginning on and after January 1, 2000. Thus, for example, for a labor organization whose fiscal year ends March 31, 2000, the annual financial report is due 90 days thereafter (June 29, 2000) using the newly redesigned reporting forms.

The second inadvertent error in the "Supplementary Information" portion of the final rule is that the number of pages in the old and the redesigned Form LM-3 were incorrectly stated (on page 71622, in the second full paragraph of the second column). Form LM-3 had been two pages (not four), and is now four pages (not eight).

There were also two errors in the text of the revised regulation, 29 CFR 403.4(b), which deals with the simplified format which a parent body may use to fulfill the reporting obligation of its subordinate local labor organizations which have no assets, liabilities, receipts, or disbursements. On page 71624, in the third line of the penultimate paragraph of the second column, the reference to "29 CFR 403.4(b)(3) (i)-(vi)" should have been to "29 CFR 403.4(b)(3) (i)-(v)". Finally, in the ninth line of that paragraph the word "and" should have been inserted before "(v)".

Need for Correction

As published, the final rule inadvertently contains incorrect information which needs to be corrected.

Publication in Final

The undersigned has determined that this rulemaking need not be published as a proposed rule, as generally required by the Administrative Procedure Act (APA), 5 U.S.C. 553. This rulemaking makes technical and nonsubstantive corrections and imposes no additional burden on the public. Consequently, there is good cause for finding that notice and public procedure is unnecessary and contrary to the public
