

information they conduct or sponsor. "Collection of information" is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) and includes agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of the PRA, 44 U.S.C. 3506(c)(2)(A), requires Federal agencies to provide a 60-day notice in the **Federal Register** concerning each proposed collection of information, including each proposed extension of an existing collection of information, before submitting the collection to OMB for approval. To comply with this requirement, the CFTC is publishing notice of the proposed collection of information listed below.

With respect to the following collection of information, the CFTC invites comments on:

- Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information will have a practical use;
- The accuracy of the Commission's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Ways to enhance the quality, usefulness, and clarity of the information to be collected; and
- Ways to minimize the burden of collection of information on those who are to respond, including through the use of appropriate automated electronic,

mechanical, or other technological collection techniques or other forms of information technology; *e.g.*, permitting electronic submission of responses.

Procurement Contracts, OMB Control No. 3038-0031—Extension

The information collected consists of procurement activities relating to solicitations, amendments to solicitations, requests for quotations, construction contracts, awards of contracts, performance bonds, and payment information for individuals (vendors) or contractors engaged in providing supplies or services.

The Commission estimates the burden of this collection of information as follows:

ESTIMATED ANNUAL REPORTING BURDEN

Annual number of respondents	Frequency of response	Total annual responses	Hours per response	Total hours
151	On occasion	151	4	604

There are no capital costs or operating and maintenance costs associated with this collection.

This estimate is based on the number of exchanges providing such weekly data to the Commission and the number of elevator operators from which the exchanges collect the data.

Dated: May 3, 2000.
