DEPARTMENT OF ENERGY

Federal Energy Regulatory Commission

[Project No. UL94-1—Maine]

FPL Energy Maine Hydro, LLC; Notice to Modify a Restricted Service List for Comments on a Programmatic Agreement for Managing Properties Included in or Eligible for Inclusion in the National Register of Historic Places

January 12, 2000.

On April 23, 1998, the Federal Energy Regulatory Commission (Commission) issued a notice for the Upper and Middle Dams Storage Project (FERC No. UL 94-1) proposing to establish a restricted service list for the purpose of developing and executing a Programmatic Agreement for managing properties included in or eligible for inclusion in the National Register of Historic Places. The Upper and Middle Dams Storage Project is located in the headwaters of the Androscoggin River, in Oxford and Franklin Counties, Maine. FPL Energy Maine Hydro, LLC is the licensee.

Rule 2010 of the Commission's Rules of Practice and Procedure provides that, to eliminate unnecessary expense or improve administrative efficiency, the Secretary may establish a restricted service list for a particular phase or issue in a processing.¹ The restricted service list should contain the names of persons on the service list who, in the judgment of the decisional authority establishing the list, are active participants with respect to the phase or issue in the proceeding for which the list is established.

The following addition is made to the restricted service list notice issued on April 23, 1998: Frank H. Dunlap, FPL Energy Maine Hydro, LLC, 100 Middle Street, Portland ME 04101.

The address for Mr. David Dominie has changed. Delete "Central Maine Power Company, North Augusta Office Annex, 41 Anthony Avenue, Augusta, ME 04330" and replace with "EPRO, 41 Anthony Avenue, Augusta, ME 04330".

The following are deleted from the restricted service list notice issued on April 23, 1998:

Jeffrey P. Musich, PE, Union Water Power Company, 150 Maine Street, Lewiston, ME 04243-1225.

R. Alec Giffen, Land & Water Associates, 9 Union Street, Hallowell, ME 04347.

Mona M. Janopaul, Trout Unlimited, 1500 Wilson Blvd, Arlington, VA 22209. Sarah Verville, Esq., Central Maine Power Company, Edison Drive, Augusta, ME 04336.

Tom Sullivan, Gomez and Sullivan Engineers, 150 Concord State Road, Dunbarton, NH 03045.

Any person on the official service list for the above-captioned proceeding may request inclusion on the restricted service list. Such a request must be filed with the David P. Boergers, Secretary, Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, and served on each person whose name appears on the official service list. If no such requests are filed, the modified restricted service list will be effective at the end of the 15-day period. Otherwise, a further notice will be issued ruling on the motion.

Linwood A. Watson, Jr.,

Acting Secretary.

II. Contractor Requirements

Under Contract No. 68-W6-0022, Work Assignment No. 4-24, Eastern Research Group Inc. and its subcontractor, ICF Incorporated, will provide the EPA's Antimicrobial Division with technical support and studies review, in all areas of toxicology (e.g., acute, subchronic, and chronic toxicity) and ecological effects assessments and residue and product chemistry. Eastern Research Group Inc. and its subcontractor, ICF Incorporated, understand that the primary activities to be conducted under this work assignment will be the preparation of Data Evaluation Records (DER) of data and studies concerning the toxicological (Tasks 3.1 and 3.2) and ecological (Tasks 4.1 and 4.2) effects of pesticides, and literature searches on chemicals related to DERs as well as chemicals up for registration.

OPP has determined that access by Eastern Research Group Inc. and its subcontractor, ICF Incorporated, to

¹ 18 CFR 385.2010.

information on all pesticide chemicals is necessary for the performance of this contract.

Some of this information may be entitled to confidential treatment. The information has been submitted to EPA under sections 3, 4, 6, and 7 of FIFRA and under sections 408 and 409 of the FFDCA.

In accordance with the requirements of 40 CFR 2.307(h)(2), the contract with Eastern Research Group Inc. and its subcontractor, ICF Incorporated, prohibits use of the information for any purpose not specified in the contract; prohibits disclosure of the information to a third party without prior written approval from the Agency; and requires that each official and employee of the contractor sign an agreement to protect the information from unauthorized release and to handle it in accordance with the FIFRA Information Security Manual. In addition, Eastern Research Group Inc. and its subcontractor, ICF Incorporated, are required to submit for EPA approval a security plan under which any CBI will be secured and protected against unauthorized release or compromise. No information will be provided to Eastern Research Group Inc. and its subcontractor, ICF Incorporated, until the requirements in this document have been fully satisfied. Records of information provided to Eastern Research Group Inc. and its subcontractor, ICF Incorporated, will be maintained by EPA Project Officers for this contract. All information supplied to Eastern Research Group Inc. and its subcontractor, ICF Incorporated, by EPA for use in connection with this contract will be returned to EPA when Eastern Research Group Inc. and its subcontractor, ICF Incorporated, have completed their work.

II. Contractor Requirements

Under Contract No. 68-W7-0055, the contractor will extract data from pesticide registration forms. This project requires the integration of the DataCap Tool set and forms recognition

capabilities into the existing imaging application. The new system will utilize DataCap Task Master and Paper keyboard software for design of the application for extracting data from the pesticide registration. Once the application has been designed, implemented, and tested, the Lockheed Martin Technical Image Technology Support Staff will be responsible for maintaining the application, inclusive of enhancements, updates, error correction and monitoring application for performance and ensuring that the application meets requirements defined by OPP.

This contract involves no subcontractors.

OPP has determined that the contract described in this document involved work that is being conducted in connection with FIFRA, in that pesticide chemicals will be the subject of certain evaluations to be made under this contract. These evaluations may be used in subsequent regulatory decisions under FIFRA.

Some of this information may be entitled to confidential treatment. The information has been submitted to EPA under sections 3, 4, 6, and 7 of FIFRA and under sections 408 and 409 of the FFDCA.

In accordance with the requirements of 40 CFR 2.307(h)(3), the contract with Lockheed Martin, prohibits use of the information for any purpose not specified in this contract; prohibits disclosure of the information to a third party without prior written approval from the Agency; and requires that each official and employee of the contractor sign an agreement to protect the information from unauthorized release and to handle it in accordance with the FIFRA Information Security Manual. In addition, Lockheed Martin, is required to submit for EPA approval a security plan under which any CBI will be secured and protected against unauthorized release or compromise. No information will be provided to Lockheed Martin until the requirements in this document have been fully satisfied. Records of information provided to Lockheed Martin will be maintained by EPA Project Officers for this contract. All information supplied to Lockheed Martin by EPA for use in connection with this contract will be returned to EPA when Lockheed Martin has completed its work.
