[Program Announcement No. ACF/ACYF/CB FY 2000-01B]

Announcement of the Availability of Financial Assistance and Request for Applications To Support Adoption Opportunities Demonstration Projects, Child Abuse and Neglect Discretionary Activities, Child Welfare Training Projects, and Abandoned Infants Assistance Awards.

AGENCY: Children's Bureau, Administration on Children, Youth and Families, ACF, DHHS.

ACTION: Correction/cancellation.

SUMMARY: This document contains a correction to the Notice that was published in the **Federal Register** on Thursday, April 13, 2000 (65 FR 19904). The solicitation for competitive proposals for priority area 2000A.2—Operation of a National Adoption Information Exchange System as a freestanding entity is canceled.

The purposes of operating and maintaining a National Adoption Information Exchange System to bring together children who would benefit from adoption and qualified prospective adoptive parents who are seeking children and to conduct national recruitment efforts in order to reach prospective parents for children awaiting adoption will be combined with the task of continuing to develop an Internet-based photo listing system. Upon further consideration, it has been decided that separating the photo listing service from the exchange and database, upon which it depends, would cause serious confusion to State child welfare agencies, would undermine the integrity of what is a single effort to assist States in inter-jurisdictional recruitment of families, and would pose the possibility of supporting duplicative projects. Because the grant for the photo-listing service will be awarded following directions from Congress, the competition for the exchange alone is being canceled.

In accordance with the Department's Grants Policy Directive (GPD) 2.04(F), and ad hoc review will be done on the noncompetitive application for the combined exchange and photo-listing activities and a notification of the intent to award the grant will be published in the **Federal Register** prior to or simultaneously with the award of this grant. The notification will include, at a minimum, the following information:

(1) recipient's name; (2) amount of award; (3) project period; (4) reason for no competition; and (5) the name and address of the official to be contacted for more information on this award.

The complete corrected current availability of funds announcement package is posted on the Children's Bureau website: <http://www.acf.dhhs.gov/programs/cb/policy/cb200001.htm>.

Eligible Applicants: Universities, colleges, foundations, national organizations, public and private non-profit and for-profit agencies and organizations.

SUPPLEMENTARY INFORMATION: The purpose of this announcement is to request applications for the design, implementation and management oversight for conducting Early Childhood Higher Education Faculty Initiative. The result of this initiative will be to improve the quality and effectiveness of child outcomes in Head Start and Early Head Start and other early childhood development programs nationwide. This cooperative agreement will be for a five year project period.

Federal Share of Project Costs: The maximum Federal share is not to exceed \$1 million for the first 12-month budget period and \$1 million for each succeeding 12-month period.

Matching Requirements: Non-Federal match is not required.

Anticipated Number of Projects to be funded: It is anticipated that one project will be funded.

Evaluation Criteria

Applications received by the due date will be reviewed and scored competitively. Experts in the field,

generally persons from outside the Federal government, will use the evaluation criteria listed below.

Criterion 1. Objectives and Need for Assistance: (25 Points)

The extent to which the application identifies relevant physical, economic, social, financial, institutional or other problems requiring a grant; demonstrates the need for assistance; states the principal and subordinate objectives of the project; provides supporting documentation or other testimonies from concerned interests other than the applicant.

Criterion 2. Results or Benefits Expected: (15 Points)

The extent to which the application identifies the results and benefits to be derived; describes the anticipated contribution to policy, practice, theory and/or research; specific benefits should be described for faculty preparing Head Start and Early Head Start teachers, home visitors, and their supervisors and the whole early childhood community working with children birth through five.

Criterion 3. Approach: (50 Points)

The extent to which the application outlines an acceptable plan of action pertaining to the scope of the project which details how the proposed work will be accomplished, including a timeline; list of each organization, consultants, including the evaluation process, or other key individuals who will work on the project along with a short description of the nature of their effort or contribution; assures the adequacy of time devoted to the project by key staff, the key staff should be knowledgeable of Head Start and Early Head Start, the applicant must fully describe the approach and/or methodology and delineate the relationship of each task to the accomplishment of the proposed objectives. There should be evidence that the planned approach reflects sufficient input from collaborating partners.

Criterion 4. Budget Appropriateness: (10 Points)

The extent to which the project's costs are reasonable in view of the activities to be carried out and the anticipated outcomes. The annual budget should include the cost for staff members to attend required conferences in the Washington, DC area.
