

"Intergovernmental Review of Federal Programs," and 45 CFR Part 100, "Intergovernmental Review of Department of Health and Human Services Program and Activities." Under the Order, States may design their own processes for reviewing and commenting on proposed Federal assistance under covered programs.

Note: State/territory participation in the intergovernmental review process does not signify applicant eligibility for financial assistance under a program. A potential applicant must meet the eligibility requirements of the program for which it is applying prior to submitting an application to its SPOC, if applicable, or to ACF.

The following jurisdictions have elected not to participate in the Executive Order process: Alabama, Alaska, Colorado, Connecticut, Hawaii, Idaho, Kansas, Louisiana, Minnesota, Montana, Nebraska, New Jersey, New York, Ohio, Oklahoma, Oregon, Pennsylvania, South Dakota, Tennessee, Vermont, Virginia, Washington, American Samoa and Palau. Applicants from these jurisdictions or for projects administered by federally-recognized Indian Tribes need take no action in regard to E.O. 12372. Although the jurisdictions listed above no longer participate in the process, entities which have met the eligibility requirements of the program are still eligible to apply for a grant even if a State, Territory, Commonwealth, etc. does not have a SPOC. All remaining jurisdictions participate in the Executive Order process and have established SPOCs. Applicants from participating jurisdictions should contact their SPOC as soon as possible to alert them of the prospective applications and receive instructions.

Applicants must submit any required material to the SPOCs as soon as possible so that the program office can obtain and review SPOC comments as part of the award process. The applicant must submit all required materials, if any, to the SPOC and indicate the date of this submittal (or the date of contact if no submittal is required) on the Standard Form 424, item 16a.

Under 45 CFR 100.8(a)(2), a SPOC has 60 days from the application deadline to comment on proposed new or competing continuation awards.

SPOCs are encouraged to eliminate the submission of routine endorsements as official recommendations. Additionally, SPOCs are requested to clearly differentiate between mere advisory comments and those official State process recommendations which may trigger the "accommodate or explain" rule. A list of the Single State Point of Contacts for each State and

Territory can be found on the following website: <http://www.whitehouse.gov/omb/grants/spoc.html>.

When comments are submitted directly to ACF, they should be addressed to: William Wilson, Head Start Bureau, Office of Grants Management, 330 C. Street, SW, Washington, DC 20447. ATTN: Early Childhood Higher Education Faculty Initiative

Reminder: In order to satisfactorily compete under this announcement, it will be necessary for potential applicants to read the full announcement which is available through the Head Start Bureau's website: www2.acf.dhhs.gov/programs/hhsb/announce/index.html. Mail applications to: ACYF Operations Center, Attention: Early Childhood Higher Education Faculty Initiative, 1815 North Fort Myers Drive, Suite 300, Arlington, VA 22209 (1-800-351-2293).

SUPPLEMENTARY INFORMATION: Pursuant to section 10(a)(2) of the Federal Advisory Committee Act, as amended (5 U.S.C. This report will include: (1) Recommendations based on assessments of the form and content of the National Medical Support Notice, as issued under proposed regulation; (2) appropriate measures that establish the priority of withholding of child support obligations, medical support obligations, arrearages in such obligations, and in the case of a medical support obligation, the employee's portion of any health care coverage premium, by such State agencies in light of the restrictions on garnishment provided under title III of the Consumer Credit Protection Act (15 U.S.C. 1671-1677); (3) appropriate procedures for

coordinating the provision, enforcement, and transition of health care coverage under the State programs for child support, Medicaid and the Child Health Insurance Program; (4) appropriate measures to improve the availability of alternate types of medical support that are aside from health care coverage offered through the noncustodial parent's health plan, and unrelated to the noncustodial parent's employer, including measures that establish a noncustodial parent's responsibility to share the cost of premiums, co-payments, deductibles, or payments for services not covered under a child's existing health coverage; (5) recommendations on whether reasonable cost should remain a consideration under section 452(f) of the Social Security Act; and (6) appropriate measures for eliminating any other impediments to the effective enforcement of medical support orders that the MCSWG deems necessary.

The membership of the MCSWG was jointly appointed by the Secretaries of DOL and DHHS, and includes representatives of: (1) DOL; (2) DHHS; (3) State Child Support Enforcement Directors; (4) State Medicaid Directors; (5) employers, including owners of small businesses and their trade and industry representatives and certified human resource and payroll professionals; (6) plan administrators and plan sponsors of group health plans (as defined in section 607(1) of the Employee Retirement Income Security Act of 1974 (29 U.S.C. 1167(1))); (7) children potentially eligible for medical support, such as child advocacy organizations; (8) State medical child support organizations; and (9) organizations representing State child support programs.

Agenda: The agenda for this meeting includes review approval of the MCSWG's report to the Secretaries containing recommendations for appropriate measures to address the impediments to the effective enforcement of medical child support as listed above. At the May, 1999 meeting, the MCSWG formed four (4) sub-committees to discuss barriers, issues, options, and recommendations in the interim between full MCSWG meetings. At the next three meetings (August, 1999, October, 1999, and November, 1999), the sub-committees presented their draft recommendations to the full MCSWG for further discussion and consideration. At the January, 2000 meeting, the MCSWG discussed the recommendations to be contained in the report to the Secretaries. At the March, 2000 meeting, the MCSWG reviewed for approval the draft report. At this

meeting, the MCSWG will review and approve the final report.

Public participation: Members of the public wishing to present oral statements to the MSCWG should forward their requests to Samara Weinstein, MCSWG Executive Director, as soon as possible and at least four days before the meeting. Such request should be made by telephone, fax machine, or mail, as shown above. The order of persons making such presentations will be assigned in the order in which the requests are received. Members of the public are encouraged to limit oral statements to five minutes, but extended written statements may be submitted for the record.
