

Paragraph 5000 Class D airspace area consisting of specified airspace within which all aircraft operators are subject to operating rules and equipment requirements of Part 91 of the Federal Aviation Regulation.

AEA MD D Salisbury, MD [Original]

Salisbury-Ocean City, Wicomico County Regional Airport, MD.

(Lat. 3820.26 N/long. 753062 W)

Salisbury VORTAC

(Lat. 3820.70 N/long. 753064 W)

That airspace extending upward from the surface to an including 2,500 feet MSL within a 6.6 mile radius of the Salisbury-Wicomico County Regional Airport. This Class D airspace area is effective during specific dates and times established in advance by a Notice to Airmen. The effective date and time will thereafter be continuously published in the Airport Facility Directory.

[Airspace Docket No. 2000-ASW-08]

Revision of Class E Airspace; Waco, TX

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Direct final rule; confirmation of effective date.

SUMMARY: This notice confirms the effective date of a direct final rule which revises Class E airspace at Waco, TX.

EFFECTIVE DATE: The direct final rule published at 65 FR 14856 is effective 0901 UTC, August 10, 2000.

FOR FURTHER INFORMATION CONTACT: Donald J. Day, Airspace Branch, Air Traffic Division, Southwest Region, Federal Aviation Administration, Fort Worth, TX 76193-0520, telephone: 817-222-5593.

SUPPLEMENTARY INFORMATION: The FAA published this direct final rule with a request for comments in the **Federal Register** on March 20, 2000, (65 FR 14856). The FAA uses the direct final rulemaking procedure for a noncontroversial rule where the FAA believes that there will be no adverse public comment. This direct final rule advised that public that no adverse comments were anticipated, and that unless a written adverse comment, or a

written notice of intent to submit such an adverse comment, were received within the comment period, the regulation would become effective on August 10, 2000. No adverse comments were received, and, thus, this action confirms that this direct final rule will be effective on that date.

Issued in Fort Worth, TX, on May 16, 2000.

JoEllen Casilio,

Assistant Manager, Air Traffic Division, Southwest Region.

[Airspace Docket No. 00-ANM-01]

Revision of Class E Airspace, Englewood, CO

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Final rule.

SUMMARY: This action amends the Englewood, CO, Class E airspace to accommodate the revision of a Standard Instrument Approach Procedure (SIAP) at the Centennial Airport, Englewood, CO.

EFFECTIVE DATE: 0901 UTC, August 10, 2000.

FOR FURTHER INFORMATION CONTACT: Brian Durham, ANM-520.7, Federal Aviation Administration, Docket No. 00-ANM-01, 1601 Lind Avenue SW, Renton, Washington 98055-4056; telephone number: (425) 227-2527.

SUPPLEMENTARY INFORMATION:

History

On January 24, 2000, the FAA proposed to amend Title 14 Code of Federal Regulations, part 71 (14 CFR part 71) by revising a Class E airspace extension at Englewood, CO, in order to accommodate a revised SIAP to the Centennial Airport, Englewood, CO. This amendment provides a small amount of additional Class E4 airspace at Englewood, CO, to meet current criteria standards associated with the SIAP. The FAA establishes Class E airspace where necessary to contain aircraft transitioning between the terminal and en route environments. The intended effect of this proposal is designed to provide for the safe and efficient use of the navigable airspace. This rule promotes safe flight operations under Instrument Flight Rules (IFR) at the Centennial Airport and between the terminal and en route transition stages.

The area will be depicted on aeronautical charts for pilot reference. The coordinates for this airspace docket are based on North American Datum 83. Class E airspace areas designated as an extension to a Class D airspace area, are published in paragraph 6004, of FAA

Order 7400.9G dated September 1, 1999, and effective September 16, 1999, which is incorporated by reference in 14 CFR 71.1. The Class E airspace designation listed in this document will be published subsequently in the Order.

The Rule

This amendment to Title 14 Code of Federal Regulations, part 71 (14 CFR part 71) revise Class E airspace extension at Englewood, CO, in order to accommodate a revised SIAP to the Centennial Airport, Englewood, CO. This amendment provides a small amount of additional Class E4 airspace at Englewood, CO, to meet current criteria standards associated with the SIAP. The FAA establishes Class E airspace where necessary to contain aircraft transitioning between the terminal and en route environments. This rule is designed to provide for the safe and efficient use of the navigable airspace and to promote safe flight operations under Instrument Flight Rules (IFR) at the Centennial Airport and between the terminal and en route transition stages.

The area will be depicted on aeronautical charts for pilot reference. The coordinates for this airspace docket are based on North American Datum 83. Class E airspace areas designated as an extension to a Class D airspace area, are published Paragraph 6004, of FAA Order 7400.9G dated September 1, 1999, and effective September 16, 1999, which is incorporated by reference in 14 CFR 71.1. The Class E airspace designation listed in this document will be published subsequently in the Order.

The FAA has determined that this regulation only involves an established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current. It, therefore: (1) Is not a "significant regulatory action" under Executive Order 12866; (2) is not a "significant rule" under DOT Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and (3) does not warrant preparation of a Regulatory Evaluation as the anticipated impact is so minimal. Since this is a routine matter that will only affect air traffic procedures and air navigation, it is certified that this rule, will not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

List of Subjects in 14 CFR Part 71

Airspace, Incorporation by reference, Navigation (air).

Adoption of the Amendment

In consideration of the foregoing, the Federal Aviation Administration amends 14 CFR part 71 as follows:

PART 71—DESIGNATION OF CLASS A, CLASS B, CLASS C, CLASS D, AND CLASS E AIRSPACE AREAS; AIRWAYS; ROUTES; AND REPORTING POINTS

1. The authority citation for 14 CFR part 71 continues to read as follows:

Authority: 49 U.S.C. 106(g), 40103, 40113, 40120; E.O. 10854, 24 FR 9565, 3 CFR, 1959–1963 Comp., p. 389.

§ 71.1 [Amended]

2. The incorporation by reference in 14 CFR 71.1 of the Federal Aviation Administration Order 7400.9G, Airspace Designations and Reporting Points, dated September 1, 1999, and effective September 16, 1999, is amended as follows:

Paragraph 6004 Class E airspace areas designated as an extension to a Class D airspace area.

* * * * *

ANM CO E5 Englewood, CO [Revised]

Centennial Airport, CO

(Lat. 39°34'13" N, long. 104°50'58" W)

That airspace extending upward from the surface within 3.2-mile radius each side of the 178° bearing from the Centennial Airport extending from the 4.4-mile radius to 14.1 miles south of the airport, and within 2.1 miles each side of the 109° bearing from the Centennial Airport extending from the 4.4-mile radius to 5.5 miles southeast of the airport. This Class E airspace area is effective during the specific dates and times established in advance by a Notice to Airmen. The effective dates and times will thereafter be continuously published in the Airport/Facility Directory.

Modification of the Dimensions of the Grand Canyon National Park Special Flight Rules Area and Flight Free Zones; Correction

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Final rule; correction.

SUMMARY: This document contains a correction to the final rule, published in the **Federal Register** on April 4, 2000 (65 FR 17736). That final rule amends special operating rules and airspace for those persons operating aircraft in the area designated as the Grand Canyon National Park Special Flight Rules Area (SFRA). That rule assists the National Park Service in fulfilling the statutory mandate of substantial restoration of the natural quiet and experience of the park. **DATES:** This correction is effective December 1, 2000.

FOR FURTHER INFORMATION CONTACT: Kevin C. Willis, (202) 267–8741.

Correction of Publication

In final rule FR Doc. 00–7950, beginning on page 17736 in the **Federal Register** issue of April 4, 2000, make the following correction:

1. On page 17736, in column 1, in the heading section, beginning on line 4, correct "Amendment No. 93–80" to read "Amendment Nos. 91–263, 93–80, 121–274 and 135–75".

Issued in Washington, DC on May 15, 2000.

Donald P. Byrne,

Assistant Chief Counsel, Regulations Division.
