Great Lakes Gas Transmission Limited Partnership and Ocean Energy Resources, Inc.; Notice of Petition for Declaratory Order

May 22, 2000.

Take notice that on May 18, 2000, Great Lakes Gas Transmission Limited Partnership (Great Lakes) and Ocean Energy Resources, Inc. (Ocean) (jointly the parties) pursuant to Rule 207 of the Rules of Practice and Procedure, 18 CFR 385.207, of the Federal Energy Regulatory Commission, tendered for filing a Request for Declaratory order concerning application of Great Lakes' right of First Refusal procedures.

The parties jointly request that the Commission declare whether the "primary term" of the 6-19-98 FT254 shall be determined by reference to the contract date stated in Section 1 and the effective date stated in Section 7, or by reference to the term of service stated in Section 6.

Great Lakes and Ocean ask the Commission to identify the "primary terms" of Service Agreement FT254, for purposes of determining whether Section 16(a) or 16(b) of the Right of First Refusal procedures of Great Lakes' FERC Gas Tariff, Second Revised Volume No. 1, should apply. The parties respectfully request the Commission to issue a final Declaratory Order prior to the July 31, 2000 closing date of the Open Season for the 6-19-98 FT254 capacity now posted on Great Lakes' Electronic Bulletin Board, so that neither Ocean nor any bidder may be harmed by the outcome of these proceedings.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Sections 385.214 or 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed on or before June 19, 2000. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room. Mid-Tex G&T Electric Cooperative, Inc., et al., Complainants. v. West Texas Utilities Company, Respondent; Notice of Complaint

May 22, 2000.

Take notice that on May 19, 2000, Mid-Tex G&T Electric Cooperative, Inc. ("Mid-Tex") and its member cooperatives filed a Complaint and Request for Refund of Fuel Adjustment Clause Charges against West Texas Utilities Company ("WTU"). Mid-Tex requests that the Commission issue an order finding that (A) the inclusion of emergency or replacement power costs in fuel cost adjustments violates the terms of the TWU wholesale rate schedules applicable to the Complainants and the provisions of the Commission's fuel clause regulations, (B) Directing WTU to (i) recalculate the fuel factor for any month where emergency or replacement power costs were included in the fuel adjustment calculation and (ii) refund to the Complainants, with interest, all fuel clause overcharges; and (C) Ordering WTU to cease and desist from including emergency or replacement power costs in its fuel clause calculations in the future and to comply with the requirements of its wholesale rates schedules and the Commission's fuel clause regulations.

Any person desiring to be heard or to protest this filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). All such motions or protests must be filed on or before June 8, 2000. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. [Docket No. QF87-407-005]

Pedricktown Cogeneration Limited Partnership; Notice of Application for Commission Recertification of Qualifying Status of a Cogeneration Facility

May 22, 2000.

Take notice that on May 16, 2000, Pedricktown Cogeneration Limited Partnership, 143 Highway 130, Pedricktown, NJ 08067, filed with the Federal Energy Regulatory Commission an application for recertification of a facility as a qualifying cogeneration facility pursuant to Section 292.207(a) of the Commission's Regulations. No determination has been made that the submittal constitutes a complete filing. The facility is a topping-cycle cogeneration facility with a maximum net electric power production capacity of 117.8 MW. It is interconnected with Atlantic City Electric Company and sells electric capacity and energy on a merchant basis in PJM.

The Commission previously certified the facility as a qualifying cogeneration facility in docket No. QF87-407-000, Pedricktown Cogeneration Limited Partnership, 41 FERC ¶ 62,025 (1987) and recertified the facility as a qualifying cogeneration facility in Docket No. QF87-407-003, 50 FERC ¶ 62,069 (1990) and Docket No. QF87-407-004, 73 FERC ¶ 62,108 (1995). Notices of Self-certification were filed on May 7, 1987 (Docket No. QF87-407-001) and on November 2, 1987 (Docket No. QF87-407-002).

Recertification is sought to reflect the proposed sale of half of the upstream ownership interests in the Facility and to report certain changes in operating mode resulting from recent contract restructuring.

Any person desiring to be heard or to protest such filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). All such motions and protests should be filed on or before June 15, 2000. Protests will be considered by the Commission to determine the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the
