Trunkline LNG Company; Notice of Proposed Changes in FERC Gas Tariff

May 25, 2000.

Take notice that on May 19, 2000, Trunkline LNG Company (TLNG) tendered for filing as part of its FERC Gas Tariff, Original Volume No. 1-A, the tariff sheets listed on Appendix A to the filing, with an effective date of July 1, 2000.

TLNG states that the filing is being made in accordance with the provisions of Section 154.202 of the Commission's Regulations, to implement Rate Schedule LLS for LNG Lending Service on TLNG's system pursuant to TLNG's blanket authority under Part 284 of the Commission's Regulations. In addition to Rate Schedule LLS and its form of service agreement, TLNG is also proposing certain conforming changes to the General Terms and Conditions.

TLNG states that copies of the filing are being served on all affected customers and applicable state regulatory agencies.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426, in accordance with Sections 385.214 or 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed in accordance with Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room. This filing may be viewed on the web at <http://www.ferc.fed.us/online/rims.htm> (call 202-208-2222 for assistance).

[Project No. 2197-038; North Carolina]

Yadkin, Inc.; Notice of Availability of Environmental Assessment

May 25, 2000.

An environmental assessment (EA) is available for public review. The EA analyzes the environmental effects of a request to amend the license to authorize upgrades of turbines and generators at three of the four developments of the Yadkin Hydroelectric Project located on the Yadkin-Pee Dee River in Montgomery, Stanly, Davidson, Rowan, and Davie Counties, North Carolina. The Yadkin Hydroelectric Project contains the following reservoirs: High Rock, Tuckertown, Narrows (Badin) and Falls.

The EA was written by staff in the Office of Energy Projects, Federal Energy Regulatory Commission. The proposed upgrade would not constitute a major federal action significantly affecting the quality of the human environment. Copies of the EA assistance. Copies are also available for inspection and reproduction at the Commission's Public Reference Room located at 888 First Street, NE., Room 2A, Washington, DC 20426, or by calling (202) 208-1371.

Anyone may file comments on the EA. The public, federal and state resource agencies are encouraged to provide comments. All written comments must be filed within 30 days of the issuance date of this notice shown above. Send an original and eight copies of all comments marked with the project number P-2197-038 to: The Secretary, Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426. If you have any questions regarding this notice, please contact R. Feller at telephone: (202) 219-2796 or e-mail: rainer.feller@ferc.fed.us

1. A copy of the application is available for inspection and reproduction at the Commission's Public Reference Room, located at 888 First Street, NE, Room 2A, Washington, DC 20426, or by calling (202) 208-1371. The application may be viewed on <http://www.ferc.fed.us/online/rims.htm> (call (202)208-2222 for assistance). A copy is also available for inspection and reproduction at the address in item h above.

Preliminary Permit—Anyone desiring to file a competing application for preliminary permit for a proposed project must submit the competing application itself, or a notice of intent to file such an application, to the Commission on or before the specified comment date for the particular application (see 18 CFR 4.36). Submission of a timely notice of intent allows an interested person to file the competing preliminary permit

application no later than 30 days after the specified comment date for the particular application. A competing preliminary permit application must conform with 18 CFR 4.30(b) and 4.36.

Preliminary Permit—Any qualified development applicant desiring to file a competing development application must submit to the Commission, on or before a specified comment date for the particular application, either a competing development application or a notice of intent to file such an application. Submission of a timely notice of intent to file a development application allows an interested person to file the competing application no later than 120 days after the specified comment date for the particular application. A competing license application must conform with 18 CFR 4.30(b) and 4.36.

Notice of intent—A notice of intent must specify the exact name, business address, and telephone number of the prospective applicant, and must include an unequivocal statement of intent to submit, if such an application may be filed, either a preliminary permit application or a development application (specify which type of application). A notice of intent must be served on the applicant(s) named in this public notice.

Proposed Scope of Studies under Permit—A preliminary permit, if issued, does not authorize construction. The term of the proposed preliminary permit would be 36 months. The work proposed under the preliminary permit would include economic analysis, preparation of preliminary engineering plans, and a study of environmental impacts. Based on the results of these studies, the Applicant would decide whether to proceed with the preparation of a development application to construct and operate the project.

Comments, Protests, or Motions to Intervene—Anyone may submit comments, a protest, or a motion to intervene in accordance with the requirements of Rules of Practice and Procedure 18 CFR 385.210, .211, .214. In determining the appropriate action to take, the Commission will consider all protests or other comments filed, but only those who file a motion to intervene in accordance with the Commission's Rules may become a party to the proceeding. Any comments, protests, or motions to intervene must be received on or before the specified comment date for the particular application.

Filing and Service of Responsive Documents—Any filings must bear in all capital letters the title "COMMENTS", "NOTICE OF INTENT
