SUPPLEMENTARY INFORMATION:

The following is a summary of the application. The complete application may be obtained for a fee at the Commission's Public Reference Branch, 450 5th Street NW, Washington, DC 20549-0102 (tel. 202-942-8090).

Applicants' Representations

1. The Funds are registered under the Act as open-end management investment companies. Each of the Funds is a feeder fund in a master/feeder structure. Each Acquired Fund and its corresponding Acquiring Fund invest in the same master fund (the "Master Funds"). Each Master Fund is

registered under the Act as an open-end management investment company.

2. AEFC, a Delaware corporation, is registered under the Investment Advisers Act of 1940 and serves as the investment manager for each Master Fund and as the administrator for each Fund. AEFC is a wholly-owned subsidiary of the American Express Company. Currently, AEFC or American Express Company owns, for its own account, more than 25% of the outstanding shares of each Acquired Fund and one of the Acquiring Funds.

3. On March 8, and 9, 2000 and March 10, 2000, the boards of directors of the Acquiring Funds and the Acquired Funds (the "Boards"), respectively, including all of the directors who are not interested persons of the Funds, as defined in section 2(a)(19) of the Act ("Independent Directors") approved an Agreement and Plan of Reorganization (the "Agreement"). Under the Agreement, each Acquiring Fund will acquire all of the assets and assume the stated liabilities of its corresponding Acquired Fund in exchange for class A shares of the Acquiring Fund (the "Reorganization"). Pursuant to the Agreement, each shareholder of an Acquired Fund will receive class A Shares of the corresponding Acquiring Fund having an aggregate net asset value equal to the aggregate net asset value of the Acquired Fund shares held by that shareholder, determined as of the close of regular trading on the New York Stock Exchange on the day of the closing, which is expected to be on or about July 14, 2000 ("Closing Date"). The valuation will be made in accordance with the procedure set forth in the then-current prospectus and statement of additional information for the Funds. Or or as soon as practicable after the Closing Date, the class A shares of the Acquiring Fund received by the Acquired Fund will be distributed *pro rata* to the shareholders of the Acquired Fund and the Acquired Fund will be liquidated.

4. Each of the Acquired Funds has investment objectives, policies, and restrictions that are identical to those of its corresponding Acquiring Fund and to those of its Master Fund. The Acquired Funds have only one class of shares and are sold without a sales charge.¹ Class A shares of the Acquiring Funds are sold with a 5% front-end sales charge and a .25% 12b-1 fee. No sales charge will be assessed in connection with the Reorganization.

¹ Each of the Acquired Funds ceased offering shares to new investors and terminated its .25% 12b-1 plan on October 4, 1999.

AEFC will pay the expenses of the Reorganization.

5. The Boards, including a majority of the Independent Directors, determined that participation in the Reorganization is in the best interests of each Fund, and that the interests of existing shareholders of each Fund will not be diluted as a result of the Reorganization. In assessing the Reorganization, the Boards considered a number of factors, including: (a) The terms and conditions of the Reorganization; (b) the tax-free nature of the Reorganization; (c) the identical investment objectives, policies, and restrictions of the Acquired Funds and the Acquiring Funds; (d) that the shareholders of the Acquired Funds will be able to make future purchases of shares of the Acquiring Funds on a no-load basis; (e) that the expense ratio for each Acquiring Fund will be lower than the expense ratio of each Acquired Fund; and (f) the costs of the Reorganization will be borne by AEFC.

6. The Reorganization is subject to a number of conditions precedent, including that: (a) The shareholders of the Acquired Funds will have approved the Agreement; (b) the Funds will have received an opinion of tax counsel that the proposed Reorganization will be tax-free for the Funds and their shareholders; (c) applicants will have received from the Commission any exemption necessary to carry out the Reorganization; and (d) a registration statement on Form N-14 will have been filed with the Commission and declared effective for each of the Acquired Funds. The Agreement and the Reorganization may be terminated and abandoned by resolutions of the Boards at any time prior to the Closing Date. The Agreement may be terminated in the event that a material condition is not fulfilled, a material covenant is not fulfilled, or there is a material breach of the Agreement. Applicants agree not to make any material changes to the Agreement without prior Commission approval.

7. A prospectus/proxy statement was filed with the Commission on March 13, 2000 and was mailed to the Acquired Funds shareholders the week of April 17, 2000. The shareholders of the Acquired Funds considered and approved the Agreement on May 9, 2000.

Applicants' Legal Analysis

1. Section 17(a) of the Act generally prohibits an affiliated person of a registered investment company, or an affiliated person of such a person, acting as principal, from selling any security to, or purchasing any security from, the

company. Section 2(a)(3) of the Act defines an "affiliated person" of another person to include: (a) Any person directly or indirectly owning, controlling, or holding with power to vote 5% or more of the other person; (b) any person 5% or more of whose securities are directly or indirectly or indirectly owned, controlled, or held with power to vote by the other person; (c) any person directly or indirectly controlling, controlled by, or under common control with the other person; and (d) if the other person is an investment company, any investment adviser of that company. Applicants state that the Funds may be deemed affiliated persons and thus the Reorganization may be prohibited by section 17(a).

2. Rule 17a-8 under the Act exempts from the prohibitions of section 17(a) mergers, consolidations, purchases or sales of substantially all of the assets of registered investment companies that are affiliated persons, or affiliated persons of an affiliated person, solely by reason of having a common investment adviser, common directors, and/or common officers, provided that certain conditions set forth in the rule are satisfied. Applicants state that they may not rely on rule 17a-8 because the Funds may be deemed to be affiliated for reasons other than those set forth in the rule. Applicants state that AEFC or American Express Company owns more than 25% of the outstanding shares of each of the Acquired Funds and one of the Acquiring Funds and each of these Funds is an affiliated person of AEFC. AEFC is an affiliated person of the Funds because of its role as investment adviser to the Master Funds. Thus, each of the Acquired funds might be deemed to be an affiliated person of an affiliated person of an Acquiring Fund, other than by virtue of a common investment adviser.

3. Section 17(b) of the Act provides, in relevant part, that the Commission may exempt a transaction from the provisions of section 17(a) if the evidence establishes that the terms of the proposed transaction, including the consideration to be paid or received, are reasonable and fair and do not involve overreaching on the part of any person concerned, and that the proposed transaction is consistent with the policy of each registered investment company concerned and with the general purposes of the Act.

4. Applicants request an order under section 17(b) of the Act exemption them from section 17(a) of the Act to the extent necessary to permit applicants to complete the proposed Reorganization. Applicants submit that the

Reorganization satisfies the standards of section 17(b) of the Act. Applicants state that the terms of the proposed Reorganization are fair and reasonable and do not involve overreaching and that the Funds have identical investment objectives and policies. Applicants also state that the Boards, including a majority of the Independent Directors, have found that participation in the Reorganization is in the best interests of each Fund, and that the interests of the existing shareholders will not be diluted as a result of the Reorganization. In addition, applicants state the Reorganization will be based on the Funds' relative net asset values.

For the Commission, by the Division of Investment Management, under delegated authority.

Margaret H. McFarland,
Deputy Secretary.
