Notice of Application by the Denver Rocky Mountain News and The Denver Post for Approval of a Joint Newspaper Operating Arrangement

AGENCY: Department of Justice.

ACTION: Notice of public's right to comment.

SUMMARY: Notice is hereby given that the Attorney General has received an application for approval of a joint newspaper operating arrangement involving two daily newspapers in Denver, Colorado. The application was filed on May 12, 2000 by The E.W. Scripps Company, whose subsidiary, the Denver Publishing Company, publishes the Denver Rocky Mountain News, and the MediaNews Group, Inc., whose subsidiary, the Denver Post Corporation, publishes The Denver Post. The proposed arrangement provides that the printing and commercial operations of both newspapers would be handled by a third entity, the "Agency" which will be owned by the parties in equal shares. The joint operating agreement provides for the complete independence of the news and editorial departments of the two newspapers.

The Newspaper Preservation Act, 15 U.S.C. 1801 *et seq.*, requires that joint newspaper operating arrangements such as that proposed by the Denver newspapers have the prior written consent of the Attorney General of the United States in order to qualify for the antitrust exemption provided by the Act. Before granting her consent, the

Attorney General must find that one of the publications is a failing newspaper and that approval of the arrangement would effectuate the policy and purpose of the Act. Any person with views about the proposed arrangement may file written comments stating the reasons why approval should or should not be granted, or requesting that a hearing be held on the application. A request for hearing must set forth the issues of fact to be determined and the reason that a hearing is believed necessary to determine them.

All correspondence to the Department of Justice, the Attorney General and other Senior Department Officials commenting on the proposed JOA will be placed in the public file and made available as described below.

DATES AND PLACE FOR FILING: Comments shall be filed by mailing or delivering five copies to the Assistant Attorney General for Administration, Justice Management Division, Department of Justice, Washington, DC 20530, and must be received by July 10, 2000. Replies to any comments filed on or before that date may be filed on or before August 8, 2000.

ADDRESSES: In accordance with the Newspaper Preservation Act Regulations, at 28 CFR Part 48, copies of the proposed arrangement and other materials filed by the newspapers in support of the application are available for public inspection in the main offices of the newspapers involved. In addition, these materials plus any filed comments are available for public inspection in the Department of Justice, National Place Building, 1331 Pennsylvania Avenue, NW., Suite 1220, Washington, DC 20530.

DEPARTMENT OF JUSTICE

Notice of Lodging of Consent Decree Pursuant to the Comprehensive Environmental Response, Compensation and Liability Act

In accordance with Department of Justice policy codified at 28 CFR 50.7

and Section 122 of CERCLA, 42 U.S.C. 9622, notice is hereby given that on May 26, 2000, two proposed Consent Decrees in *United States v. Elsa Morgan-Skinner, et al.*, Civ. Action No. C-1-00-424, were lodged with the United States District Court for the Southern District of Ohio. The first Consent Decree represents a settlement of claims of the United States for recovery of response costs incurred by the United States in connection with the Skinner Landfill Superfund Site (Site) in West Chester, Ohio, under Section 107(a) of the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended, 42 U.S.C. 9607(a), against Elsa Morgan-Skinner and seventy-two (72) other potentially responsible parties (PRPs) that contributed hazardous substances to the Site. Under the terms of the Consent Decree (the Remedial Action or "RA Consent Decree"), the Settling Generator/Transporter Defendants, including approximately sixty-six (66) companies, (Work Parties) will implement an EPA-approved remedial action which includes, among other things, the construction of a cap over a former dump and buried waste lagoon area; and the interception, capture and treatment of contaminated groundwater located down-gradient from the capped area. The Settling Owner/Operator Defendant Elsas Morgan-Skinner, the current Site owner, agrees to grant access to and restrictive use covenants on the Site, and resolve her liability by selling an option to purchase the Site for \$5,000 to the Work Parties. A portion of the proceeds of any such sale will be deposited into an account known as the Skinner Landfill Special Account. Two Settling Federal Agencies, the General Services Administration and the Defense Logistics Agency, will pay \$602,599.12 into the Skinner Landfill Special Account. Finally, the Settling *De Minimis* Federal Agencies, including the United States Army, United States Air Force, United States Information Agency and the United States Postal Service, each of which contributed less than 1% of the total volume of waste at the Site, will pay \$87,804.29 into the Skinner Landfill Special Account. Eighty percent of the funds in the Special Account will be available for disbursement to the Work Parties for their remediation work. In exchange for these payments and performance of the remedial action, each of the Settling Defendants under the RA Consent Decree will receive covenants not to sue and contribution protection.

The second Consent Decree resolves the United States' claims for recovery of

response costs incurred at the Site against seven municipalities, including the Cities of Blue Ash, Deer Park, Madiera, Mason, Sharonville and the Villages of Lincoln Heights and Monroe, each of which contributed municipal solid waste (MSW) to the Site. Under the terms of this Consent Decree (known as the "MSW Consent Decree") the Settling Municipalities will pay a total of \$17,218 into the Skinner Special Account. These funds will be made available to the Work Parties for their remediation work. In exchange for this payment, each of the Settling Municipalities will receive a covenant not to sue and contribution protection.

The Department of Justice will receive for a period of thirty (30) days from the date of this publication comments relating to the proposed Consent Decrees. Comments should be addressed to the Assistant Attorney General of the Environmental and Natural Resources Division, Department of Justice, 950 Pennsylvania Avenue, NW, Washington, DC 20530, and should refer to *United States v.
