

meet when it promulgates a rule that imposes substantial direct compliance costs on State and local governments, preempts State law, or otherwise has Federalism implications. We have reviewed this proposed action under the threshold criteria of Executive Order 13132, Federalism, and, therefore, have determined that this action would not have substantial direct effects on the rights, roles, and responsibilities of States.

Paperwork Reduction Act of 1995

In accordance with section 3507(a) of the Paperwork Reduction Act (PRA) of 1995, the Department is required to solicit public comments, and receive final Office of Management and Budget (OMB) approval, on collections of information. As indicated, in order to implement the Children's Hospital Graduate Medical Education Payment Program (CHGME), certain information is required as set forth in this notice in order to determine eligibility for payment.

In accordance with the PRA, we are submitting to OMB at this time the following requirements for seeking emergency review of these provisions. HRSA has requested an emergency review because the data collection and reporting of this information is needed before the expiration of the normal time limits under OMB's regulations at 5 CFR part 1320, to ensure the timely availability of data as necessary to ensure payment to eligible children's hospitals. A 30-day notice was published in the **Federal Register** on May 15, 2000 to provide for public comment and to request an expedited review of the information collection associated with the CHGME. Delaying the data collection would delay implementation of the statutory purpose of providing payments by the end of the fiscal year to children's hospitals that support training of residents in graduate medical education programs.

Collection of Information: The Children's hospital Graduate Medical Education Program.

Description: Data is collected on the number of full-time equivalent residents in applicant children's hospital training programs to determine the amount of direct and indirect expense payments to participating children's hospitals. Indirect expense payments will also be derived from a formula that requires the reporting of case mix index information from participating 25c children's hospitals. Hospitals will be requested to submit such information in an annual application.

Description of Respondents: Children's Hospitals operating approved graduate medical residency training programs.

Estimated Annual Reporting: The estimated average annual reporting for this data collection is approximately 138 hours per hospital. The estimated annual burden is as follows:

Form name	No. of re-spond-ents	Re-sponses per re-spond-ent	Total re-sponses	Hours per re-sponse	Total hour bur-den

National Health Objectives for the Year 2000

The Public Health Service is committed to achieving the health promotion and disease prevention objectives of Healthy People 2000, and its successor, Healthy People 2010. These are Department-led efforts to set priorities for national attention. The CHGME program is related to the priority area 1 (Access to Quality Health Services) in Healthy People 2010, which is available online at <http://www.health.gov/healthypeople/>.

Education and Service Linkage

As part of its long-range planning, HRSA will be targeting its efforts to strengthening linkages between Department education programs and programs which provide comprehensive primary care services to the underserved.

Smoke-Free Workplace

The Department strongly encourages all award recipients to provide a smoke-free workplace and promote abstinence from all tobacco products, and Public Law 103-227, the Pro-Children Act of 1994, prohibits smoking in certain facilities that receive Federal funds in which education, library, day care, health care, and early childhood development services are provided to children.

This program is not subject to the Public Health Systems Reporting Requirements.

Notice of Proposed Information Collection: Healthy Homes Initiative

AGENCY: Office of Lead Hazard Control
ACTION: Notice.

SUMMARY: The proposed information collection requirement described below will be submitted to the Office of Management and Budget (OMB) for review, as required by the Paperwork Reduction Act. The Department is soliciting public comments on the subject proposal.

DATES: *Comments Due Date:* August 18, 2000.

ADDRESSES: Interested persons are invited to submit comments regarding this proposal. Comments should refer to the proposal by name and/or OMB Control Number and should be sent to: Ms. Gail Ward, Reports Liaison Officer, Department of Housing and Urban Development, 451 7th St., SW, Room P3206, Washington, DC 20410.

FOR FURTHER INFORMATION CONTACT: Ellen R. Taylor (202) 755-1785 ext. 116 (this is not a toll free number), for copies of the proposed forms and other available documents.

SUPPLEMENTARY INFORMATION: The Department will submit the proposed information collection to OMB for review, as required by the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35, as amended).

The Notice is soliciting comments from members of the public and affected agencies concerning the proposed collection of information to: (1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (2) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information; (3) Enhance

the quality, utility, and clarity of the information to be collected; and (4) Minimize the burden of the collection of information on those who are to respond; including through the use of appropriate automated collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

This Notice also lists the following information:

Title of Proposal: Healthy Homes Initiative.

OMB Control Number: To be assigned.

Need For the Information and Proposed Use: This information

collection is required in connection with the management of grants or cooperative agreements related to evaluation and control of housing based hazards, funded by HUD as part of the Healthy Homes Initiative. Healthy Homes is authorized by the Housing Development Act of 1970. To date, seven programs have received FY 1999 funding totaling \$8.5 million. HUD anticipates that this level of grant activity will continue in FY 2000 and succeeding years.

Results from these grants or cooperative agreements will be used to provide protocols, materials and

information to other Healthy Homes programs. It is anticipated that this will increase the effectiveness of residential hazard reduction interventions, while improving the cost-effectiveness of the entire process. This activity should contribute to reducing housing based hazards and improving the health and safety of children and their families.

Agency Form Numbers: None.

Members of Affected Public: Potential applicants and grantees include non-profit and for-profit organizations, academic institutions, and state and local governments.

Total Burden Estimate:

	Number of respondents	Frequency of responses	Hours per response	Burden hours
Grantees	7	3	2	63
Future Grantees	14	3	2	126
Applicants	18	1	2	36
Total Estimated Burden Hours:				25

Status of the Proposed Information Collection: New Collection.

Authority: Section 3506 of the Paperwork Reduction Act of 1995, 44 U.S.C. Chapter 35, as amended.

Dated: June 8, 2000.

David E. Jacobs,

Director, Office of Lead Hazard Control.
