Abstract: The primary objective of the SCGP is to expand U.S. agricultural exports by making available export credit guarantees to encourage U.S. private sector financing of foreign purchases of U.S. agricultural commodities on credit terms. Furthermore, the SCGP is designed to assist exporters of U.S. agricultural commodities who wish to provide relatively short term (up to 180 days) credits to their importers evidenced by promissory notes executed by such importers. The CCC currently offers the SCGP for exports to at least 11 countries and 10 country regions, with 1,008 exporters eligible to participate. Under 7 CFR Part 1493, Subpart D, exporters are required to submit the following: (1) Information about the exporter for program participation, (2) export sales information in connection with applying for a payment guarantee, (3) information regarding the actual export of the commodity, (evidence of export report), (4) notice of default and claims for loss, and (5) other documents, if applicable, including notice assignment of the right to receive proceeds under the export credit guarantee. In addition, each exporter and exporter's assignee (U.S. financial institution) must maintain records on all information submitted to CCC and in connection with sales made under the SCGP. The information collected is used by CCC to manage, plan, evaluate and account for government resources. The reports and records are required to ensure the proper and judicious use of public funds.

Estimate of Burden: The public reporting burden for these collections is estimated to average 0.4672 hours per response.

Respondents: Exporters of U.S. agricultural commodities, banks or other financial institutions, producer associations, export trade associations, and U.S. Government agencies.

Estimated Number of Respondents: 288 per annum.

Estimated Number of Responses per Respondent: 8.66 per annum.

Estimated Total Annual Burden of Respondents: 1,165.75 hours.

Copies of this information collection can be obtained from Kimberly Chisley, the Agency Information Collection Coordinator, at (202) 720-2568.
