

Persons wishing to make statements should register with the BLM by noon on July 11, 2000, at the meeting location. Depending on the number of speakers, the Advisory Board may limit the length of presentations. At previous meetings, presentations have been limited to three minutes in length. Speakers should address the specific wild horse and burro-related topics listed on the agenda. Speakers must submit a written copy of their statement to the address listed in the **ADDRESSES** section or bring a written copy to the meeting.

Participation in the Advisory Board meeting is not a prerequisite for submission of written comments. The BLM invites written comments from all interested parties. Your written comments should be specific and explain the reason for any recommendation. The BLM appreciates any and all comments, but those most useful and likely to influence decisions on management and protection of wild horses and burros are those that are either supported by quantitative information or studies or those that include citations to and analysis of applicable laws and regulations. Except for comments provided in electronic format, speakers should submit two copies of their written comments where feasible. The BLM will not necessarily consider comments received after the time indicated under the **DATES** section or at locations other than that listed in the **ADDRESSES** section.

In the event there is a request under the Freedom of Information Act (FOIA) for a copy of your comments, the BLM will make them available in their entirety, including your name and address (or your e-mail address if you file electronically). However, if you do not want the BLM to release your name and address (or e-mail address) in response to a FOIA request, you must state this prominently at the beginning of your comment. BLM will honor your request to the extent allowed by law. BLM will release all submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, in their entirety, including names and addresses (or e-mail addresses).

Electronic Access and Filing Address

Speakers may transmit comments electronically via the Internet to: *Janet.Nordin@blm.gov*. Please include the identifier "WH&B" in the subject of your message and your name and address in the body of your message.

Dated: June 21, 2000.

AGENCY: United States International Trade Commission.

ACTION: Cancellation of the hearing of full five-year reviews concerning the antidumping duty orders on certain industrial belts from Germany, Italy, Japan, and Singapore.

EFFECTIVE DATE: June 21, 2000.

FOR FURTHER INFORMATION CONTACT:

Joanna Bonarriva (202–708–4083) Office of Investigations, U.S. International Trade Commission, 500 E Street SW., Washington, DC 20436. Hearing-impaired persons can obtain information on this matter by contacting the Commission's TDD terminal on 202–205–1810. Persons with mobility impairments who will need special assistance in gaining access to the Commission should contact the Office of the Secretary at 202–205–2000. General information concerning the Commission may also be obtained by accessing its internet server (<http://www.usitc.gov>).

SUPPLEMENTARY INFORMATION:**Background**

On February 10, 2000 (65 FR 6627), the Commission published a notice in the **Federal Register** scheduling full five-year reviews concerning the antidumping duty orders on certain industrial belts from Germany, Italy, Japan, and Singapore. The schedule provided for a public hearing on June 27, 2000. Requests to appear at the hearing were filed with the Commission on behalf of Mitsuboshi Belting Corp. and on behalf of Bando Chemical Industries, Ltd. and Bando American, Inc. Subsequently, each of the parties requesting to appear at the hearing withdrew its request. Since there are no current requests by interested parties to appear at a public hearing, the Commission determined to cancel the public hearing on certain industrial belts from Germany, Italy, Japan, and Singapore. The Commission unanimously determined that no earlier announcement of this cancellation was possible.

For further information concerning these reviews, see the Commission's notice cited above and the Commission's Rules of Practice and Procedure, part 201, subparts A through E (19 CFR part 201), and part 207, subparts A and F (19 CFR part 207).

Authority: These reviews are being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to sections 201.35 and 207.62 of the Commission's rules.

Dated: June 21, 2000.

By order of the Commission.

Donna R. Koehnke,

Secretary.
