**Manufacturer of Controlled Substances; Notice of Registration**

By Notice dated March 13, 2000, and published in the **Federal Register** on March 21, 2000, (65 FR 55), Organichem Corporation, 33 Riverside Avenue, Rensselaer, New York 12144, made application to the Drug Enforcement Administration (DEA) for registration as

a bulk manufacturer of the basic classes of controlled substances listed below:

| Drug                         | Schedule |
|------------------------------|----------|
| Methylphenidate (1724) ..... | II       |
| Meperidine (9230) .....      | II       |

The firm plans to manufacture meperidine as bulk product for distribution to its customers and to manufacture methylphenidate for distribution to a customer.

DEA has considered the factors in Title 21, United States Code, Section 823(a) and determined that the registration of Organichem Corporation to manufacture the listed controlled substances is consistent with the public interest at this time. DEA has investigated Organichem Corporation to ensure that the company's registration is consistent with the public interest. The investigation included inspection and testing of the company's physical security systems, verification of the company's compliance with state and local laws, and a review of the company's background and history. Therefore, pursuant to 21 U.S.C. 823 and 28 CFR 0.100 and 0.104, the Deputy Assistant Administrator, Office of Diversion Control, hereby orders that the application submitted by the above firm for registration as a bulk manufacturer of the basic classes of controlled substances listed above is granted.

Dated: June 14, 2000.
