#### 33 CFR Part 165

[CGD09-00-020]

RIN 2115-AA97

#### **Safety Zone: Lake Erie, Red, White and Blues Bang, Huron, Ohio**

**AGENCY:** Coast Guard, DOT.

**ACTION:** Temporary final rule.

**SUMMARY:** The Coast Guard is establishing a temporary safety zone on the Huron River, in the state of Ohio. This zone restricts the entry of vessels into the area designated for the July 1st, Red, White and Blues Bang fireworks display. This temporary safety zone is necessary to protect mariners in case of accidental misfire of fireworks mortar rounds.

**DATES:** This rule is effective from 10 a.m. to 11 p.m., July 1, 2000.

**ADDRESSES:** The U.S. Coast Guard Marine Safety Office in Toledo, Ohio maintains the public document for this rule. Documents identified in this rule will be available for public copying and inspection between 9:30 a.m. and 2 p.m., Monday through Friday, except federal holidays. The Marine Safety Office is located at 420 Madison Ave., Suite 700, Toledo, Ohio 43604; (419) 259-6372.

**FOR FURTHER INFORMATION CONTACT:**

Chief Marine Science Technician Michael Pearson, Asst. Chief of Port Operations, Marine Safety Office, 420 Madison Ave., Suite 700, Toledo, Ohio 43604; (419) 259-6372.

**SUPPLEMENTARY INFORMATION:** We did not publish a notice of proposed rulemaking (NPRM) for this regulation. Under 5 U.S.C. 553(b)(3)(B), the Coast Guard finds that good cause exists for not publishing an NPRM.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30

days after publication in the **Federal Register**. Publication of a notice of proposed rulemaking and delay of effective date would be contrary to public interest because immediate action is necessary to protect the maritime public and other persons from the hazards associated with fireworks displays. We had insufficient time to publish a Notice of Proposed Rulemaking because the event sponsor did not provide us with adequate advance notice of this event.

#### **Background and Purpose**

This temporary rule is necessary to ensure the safety of the maritime community during setup, loading and firing operations of fireworks in conjunction with the Red, White and Blues Bang fireworks display. Entry into the safety zone without permission of the Captain of the Port is prohibited.

The Captain of the Port may be contacted via Coast Guard Station Toledo on VHF-FM Channel 16.

#### **Regulatory Evaluation**

This rule is not a "significant regulatory action" under section 3(f) of Executive Order 12866 and does not require an assessment of potential costs and benefits under section 6(a)(3) of that Order. The Office of Management and Budget has not reviewed this rule under that Order. It is not "significant" under the regulatory policies and procedures of the Department of Transportation (DOT) (44 FR 11040, February 26, 1979). This finding is based on the historical lack of vessel traffic at this time of year.

#### **Small Entities**

Under the Regulatory Flexibility Act (5 U.S.C. 601-612), we considered whether this rule would have a significant economic impact on a substantial number of small entities. The term "small entities" comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities. This safety zone will not have a significant economic impact on a substantial number of small entities for the following reasons. This rule will be in effect for less than one day when vessel traffic can pass safely around the safety zone.

#### **Assistance for Small Entities**

In accordance with the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104-121), assistance to small entities in understanding the rule so that they could better evaluate its effects on them and participate in the rulemaking process is available upon request. Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1-888-REG-FAIR (1-888-734-3247).

#### **Collection of Information**

This rule calls for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520).

#### **Federalism**

We have analyzed this rule under Executive Order 13132 and have determined that this rule does not have implications for federalism under that Order.

#### **Unfunded Mandates Reform Act**

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531-1538) governs the issuance of Federal regulations that require unfunded mandates. An unfunded mandate is a regulation that requires a state, local, or tribal government or the private sector to incur direct costs without the Federal government having first provided the funds to pay those costs. This rule will not impose an unfunded mandate.

#### **Taking of Private Property**

This rule will not effect a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

#### **Civil Justice Reform**

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

#### **Protection of Children**

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health

Risks and Safety Risks. This rule is not an economically significant rule and does not concern an environmental risk to health or risk to safety that may disproportionately affect children.

#### Environment

The Coast Guard considered the environmental impact of this rule and concluded that under figure 2-1, paragraph (34)(g), of Commandant Instruction M16475.1C, this rule is categorically excluded from further environmental documentation. A "Categorical Exclusion Determination" is available in the docket for inspection or copying where indicated under ADDRESSES.

#### **SUPPLEMENTARY INFORMATION:**

##### **Request for Comments**

Although this rule is being published as a temporary final rule without prior notice, an opportunity for public comment is nevertheless desirable to ensure the rule is both reasonable and workable. Accordingly, we encourage you to participate in this rulemaking by submitting comments and related material. If you do so, please include your name and address, identify the docket number for this rulemaking (CGD01-00-166), indicate the specific section of this document to which each comment applies, and give the reason for each comment. please enclose a stamped, self-addressed postcard or envelope. We will consider all comments and material received during the comment period. We may change this proposed rule in view of them.

##### **Regulatory History**

We did not publish a notice of proposed rulemaking (NPRM) for this regulation. Under 5 U.S.C. 553(b)(8), the Coast Guard finds that good cause exists for not publishing an NPRM. We were not notified of the event with sufficient time to publish an NPRM, allow for comments, and publish a final rule in sufficient time to allow notice to the public.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. This is a locally supported event with minimal impact on the waterways and the zones are only in affect for a short duration.

##### **Background and Purpose**

The Amistad Historical Society is sponsoring a voyage of the sailing vessel *Amistad* from New London Harbor to New Haven Harbor. On July 14, 2000, the *Amistad* and participating vessels will transit from New London Harbor via Long Island Sound to New Haven. The *Amistad* will arrive in New Haven Harbor on July 15, 2000 and will transit to a berth at Long Wharf Pier.

The Coast Guard will establish a safety zone in New Haven Harbor on July 15, 2000, to protect the maritime public and participating vessels from possible hazards to navigation caused by the arrival of the sailing vessel AMISTAD on July 15, 2000. The safety zone includes all waters of New Haven Harbor within the boundaries of the marked channel from the New Haven Harbor entrance buoy to the I-95 Quinnipiac River Bridge. This safety zone is effective from 10:00 a.m. until 4:00 p.m. on July 15, 2000.

##### **Regulatory Evaluation**

This proposed rule is not a "significant regulatory action" under section 3(f) of Executive Order 12866 and does not require an assessment of potential costs and benefits under section 6(a)(3) of that Order. The Office of Management and Budget has not reviewed it under that Order. It is not significant under the regulatory policies and procedures of the Department of Transportation (DOT) (44 FR 11040, February 26, 1979).

We expect the economic impact of this rule to be so minimal that a full Regulatory Evaluation under paragraph
