ACTION: Notice of Extension of Time Limits For Preliminary Results of

Antidumping Duty Administrative Reviews.

EFFECTIVE DATE: June 28, 2000.

The Applicable Statute

Unless otherwise indicated, all citations to the statute are references to the provisions effective January 1, 1995, the effective date of the amendments made to the Tariff Act of 1930 (the Act) by the Uruguay Round Agreements Act. In addition, unless otherwise indicated, all citations to the Department's regulations are to the current regulations, codified at 19 CFR Part 351 (1999).

Background

On August 19, 1993, the Department published in the **Federal Register** (58 FR 44162) the antidumping duty orders on certain corrosion-resistant carbon steel flat products and certain cut-to-length carbon steel plate from Canada. The Department initiated these reviews for Stelco, Inc., Dofasco, Inc., Sorevco, Inc., Continuous Colour Coat, Ltd., and National Steel Corp., (corrosion-resistant) and Clayson Steel Inc., Metaux Russel Inc. and Stelco, Inc. (cut-to-length) on October 1, 1999 (64 FR 53318).¹ We initiated a review of Gerdau MRM Steel (cut-to-length) on November 4, 1999 (64 FR 60161).² These reviews cover the period of August 1, 1998 through July 31, 1999. On April 27, 2000, the Department published an extension of these preliminary results of review until July 21, 2000 (65 FR 24678).

Extension of Time Limits for Preliminary Results

For the reasons described in the Memorandum from Edward C. Yang to Joseph A. Spetrini, *Extension of Time Limit for the Final Results of Antidumping Duty Administrative Reviews of Certain Corrosion-Resistant Carbon Steel Flat Products and Certain Cut-to-Length Carbon Steel Plate From Canada*, dated June 22, 2000, it is not practical to complete these reviews

¹ Petitioners withdrew their request for a review of Stelco under both orders. Stelco did not request that its sales be reviewed. National withdrew its request to be reviewed. Petitioners did not request that National be reviewed.

² We inadvertently failed to include Gerdau MRM Steel in our October 1, 1999 notice.

within the time limits mandated by section 751(a)(3)(A) of the Act.

Therefore, in accordance with section 751(a)(3)(A) of the Act, the Department is extending the time period for issuing the preliminary results of review until August 30, 2000.

Dated: June 22, 2000.

Robert M. James,

Acting Deputy Assistant Secretary, AD/CVD Enforcement Group III.

Notice of Extension of Time Limit for Final Results of New Shipper Antidumping Review: Freshwater Crawfish Tail Meat From the People's Republic of China

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: June 28, 2000.

FOR FURTHER INFORMATION CONTACT: Sarah Ellerman or Maureen Flannery, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-4106 and (202) 482-3020, respectively.

Time Limits

Statutory Time Limits

Section 751(a)(2)(B)(iv) of the Tariff Act of 1930, as amended (the Act), requires the Department to make a preliminary determination within 180 days after the date on which the review is initiated, and a final determination within 90 days after the date the preliminary determination is issued. However, if the Department concludes that the case is extraordinarily complicated, section 751(a)(2)(B)(iv) of the Act allows the Department to extend the time limit for the preliminary determination from 180 days to 300 days and may extend the time limit for the final determination from 90 days to 150 days from the date of publication of the preliminary determination.

Background

On March 30, 1999, the Department received a request from Yancheng Haiteng Aquatic Products & Foods Co., Ltd. to conduct a new shipper review of the antidumping duty order on freshwater crawfish tail meat from the People's Republic of China. On May 6,

1999, the Department published its initiation of this new shipper review covering the period September 1, 1998 through February 28, 1999 (64 FR 24328). On March 15, 2000, the Department published the preliminary results of review (65 FR 13939). On May 1, 2000, the Department extended the time limits for the final results of this new shipper review (65 FR 25309).

Extension of Time Limits for Final Results

Because of the complexities described in the *Memorandum from Edward C. Yang to Joseph A. Spetrini, Extension of Time Limit for the Final Results of New Shipper Review of Freshwater Crawfish Tail Meat from the People's Republic of China*, dated June 19, 2000, we find that this case is extraordinarily complicated and we are unable to complete this review within the time limits mandated by section 351.214(i)(2) of the Department's regulations.

Therefore, in accordance with section 351.214(i)(2) of the Department's regulations, the Department is extending the time period for issuing the final results of review until July 14, 2000.

Dated: June 19, 2000.

Edward C. Yang,

Acting Deputy Assistant Secretary, AD/CVD Enforcement Group III.

Time Limits

Statutory Time Limits

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department to make a preliminary determination within 245 days after the last day of the anniversary month of an order/finding for which a review is

requested and a final determination within 120 days after the date on which the preliminary determination is published. However, if it is not practicable to complete the review within these time periods, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the preliminary determination to a maximum of 365 days and for the final determination to 180 days (or 300 days if the Department does not extend the time limit for the preliminary determination) from the date of publication of the preliminary determination.

Background

On August 30, 1999, the Department published a notice of initiation of administrative reviews of the antidumping duty orders on certain pasta from Italy and Turkey, covering the period July 1, 1998, through June 30, 1999 (64 FR 47167). On February 4, 2000, the Department extended the time limit for completion of the preliminary results of these administrative reviews by 90 days (65 FR 5591). The preliminary results are currently due no later than June 30, 2000.

Extension of Time Limit for Preliminary Results of Review

We determine that it is not practicable to complete the preliminary results of these reviews within the extended 90 day time limit. Therefore the Department is extending the time limit for completion of these preliminary results for the full 120 days, until no later than July 31, 2000. *See* Decision Memorandum from Melissa Skinner to Holly Kuga, dated June 14, 2000, which is on file in the Central Records Unit, Room B-099 of the main Commerce building. We intend to issue the final results no later than 120 days after the publication of the preliminary results notice.

This extension is in accordance with section 751(a)(3)(A) of the Act.

Dated: June 16, 2000.

Holly A. Kuga,

Acting Deputy Assistant Secretary, Import Administration, Group II.
