The term "mechanical transfer presses" refers to automatic metal-forming machine tools with multiple die stations in which the work piece is moved from station to station by a transfer mechanism designed as an integral part of the press and synchronized with the press action, whether imported as machines or parts suitable for use solely or principally with these machines. These presses may be imported assembled or unassembled. This review does not cover certain parts and accessories, which were determined to be outside the scope of the order. (See "Final Scope Ruling on Spare and Replacement Parts," U.S. Department of Commerce, March 20, 1992; and "Final Scope Ruling on the Antidumping Duty Order on Mechanical Transfer Presses (MTPs) from Japan: Request by Komatsu, Ltd.," U.S. Department of Commerce, October 3, 1996.)

Analysis of Comments Received

All issues raised in Komatsu's case brief in this administrative review are addressed in the "Issues and Decision Memorandum" (Decision Memo) from Joseph A. Spetrini, Deputy Assistant Secretary for AD/CVD Enforcement Group III, Import Administration, to Troy H. Cribb, Acting Assistant Secretary for Import Administration, dated July 5, 2000, which is hereby adopted by this notice. A list of the issues which Komatsu has raised and to which we have responded, all of which are in the Decision Memo, is attached to this notice as an Appendix. A complete discussion of all issues raised in this review and the corresponding recommendations are in the public memorandum which is on file in the Central Records Unit, located in the Central Records Unit, room B-099 of the main Department of Commerce Building. In addition, a complete version of the Decision Memo can be accessed directly on the Web at www.ita.doc.gov/import_admin/records/frn/. The paper copy and electronic version of the Decision Memo are identical in content.

Changes Since the Preliminary Results

Based on our analysis of comments received, we have made certain changes in the margin calculations. These changes are discussed in the relevant sections of the Decision Memo, accessible in B-099 and on the Web at www.ita.doc.gov/import_admin/records/frn/.

Final Results of Review

We determine that the following percentage weighted-average margin exists for the period February 1, 1998 through January 31, 1999:

Manufacturer/exporter	Margin (percent)
Komatsu, Ltd	0.00

Because the weighted-average dumping margin is zero, we will instruct the Customs Service to liquidate entries made during this review period without regard to antidumping duties for the subject merchandise that Komatsu exported.

Cash Deposit Requirements

The following deposit requirements will be effective upon publication of this notice of final results of administrative review for all shipments of MTPs from Japan entered, or withdrawn from warehouse, for consumption on or after the date of publication, as provided by section 751(a)(1) of the Act: (1) The cash deposit rate for the reviewed company will be the rate shown above; (2) for previously reviewed or investigated companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the original less-than-fair-value (LTFV) investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 14.51 percent. This rate is the "All Others" rate from the LTFV investigation.

These deposit requirements shall remain in effect until publication of the final results of the next administrative review.

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

This notice also serves as a reminder to parties subject to administrative protective orders (APO) of their responsibility concerning the return or destruction of proprietary information

disclosed under APO in accordance with 19 CFR 351.305. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

We are issuing and publishing this determination and notice in accordance with sections 751(a)(1) and 777(i) of the Act.

Dated: July 5, 2000.

Troy H. Cribb,

Acting Assistant Secretary for Import Administration.

Stainless Steel Bar From India; Notice of Extension of Time Limit for Administrative Review and New Shipper Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of Extension of Time Limit for Final Results of 1998-1999 Antidumping Duty Administrative Review and New Shipper Review of Stainless Steel Bar From India.

SUMMARY: The Department of Commerce is extending the time limit for the final results of the fourth administrative review and new shipper review of the antidumping duty order on stainless steel bar from India. The period of review for both segments of the proceeding is February 1, 1998 through January 31, 1999. This extension is made pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended by the Uruguay Round Agreements Act.

EFFECTIVE DATE: July 12, 2000.

FOR FURTHER INFORMATION CONTACT: Zak Smith or Meg Weems, Office 1, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone (202) 482-0189 or (202) 482-2613, respectively.

SUPPLEMENTARY INFORMATION:**Applicable Statute**

Unless otherwise indicated, all citations to the Tariff Act of 1930, as amended ("the Act"), are references to the provisions effective January 1, 1995, the effective date of the amendments made to the Act by the Uruguay Round Agreements Act ("URAA"). In addition, all references to the Department of Commerce's ("the Department's") regulations are to 19 CFR part 351 (April 1999).

Statutory Time Limits

Under section 751(a)(3)(A) of the Act, the Department may extend the deadline for completion of an administrative review if it determines that it is not practicable to complete the review within the statutory time limit of 120 days after the date on which the notice of preliminary results was published in the **Federal Register**.

On March 31, 1999, the new shipper, Meltroll Engineering Pvt. Ltd., requested that the Department align the new shipper review with the administrative review (*see also* Meltroll letter dated 21 June 2000 specifically waiving statutory time limits). The time limits prescribed for a new shipper review under section 751(a)(2)(B)(iv) of the Act differ from those of an administrative review under section 751(a)(3) of the Act. Pursuant to Meltroll's request and 19 CFR 351.214(j)(3), the Department is now aligning both reviews and the time limits for the administrative review under section 751(a)(3) of the Act will now also apply to the new shipper review.

Extension

On March 8, 2000, we published the preliminary results of review (65 FR 12209). In our notice of preliminary results, we stated our intention to issue the final results of these reviews no later than July 6, 2000.

Due to limited resources, we find it not practicable to complete the reviews within the originally anticipated time limit. Specifically, the Department personnel responsible for completing these reviews will be on verification for a separate proceeding for several weeks preceding the current deadline. Therefore, the Department is extending the time limit for completion of the final results to not later than August 4, 2000, in accordance with section 751(a)(3)(A) of the Act.

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: June 30, 2000.

Richard W. Moreland,

Deputy Assistant Secretary for Import Administration.
