Antitrust Division

United States v. Allied Waste Industries, Inc. and Superior Services, Inc.; Proposed Final Judgment and Competitive Impact Statement

Notice is hereby given pursuant to the Antitrust Procedures and Penalties Act, 15 U.S.C. 16(b) through (h), that a Complaint, Hold Separate Stipulation and Order, and proposed Final Judgment were filed with the United States District Court for the District of Columbia in *United States v. Allied Waste Industries, Inc., and Superior Services, Inc.*, Civil No. 1:00CV 01067 on May 12, 2000. A Competitive Impact Statement was filed on June 22, 2000. The Complaint sought to enjoin the following transactions: Allied Waste Industries, Inc.'s ("Allied") proposed acquisition of Superior Services, Inc.'s ("Superior") waste hauling assets in Mansfield, Ohio; Superior's proposed acquisition of Allied's waste hauling assets in Milwaukee, Wisconsin; and Superior's proposed acquisition of a landfill owned by Allied in Leeper, Pennsylvania. The Complaint alleged that these three transactions between Allied and Superior would lessen competition substantially in waste collection and municipal solid waste disposal services in violation of Section 7 of the Clayton Act, 15 U.S.C. 18. The proposed Final Judgment, filed at the same time as the Complaint, requires, among other things, that (1) Allied divest certain commercial waste collection operations and a transfer station in the Milwaukee area, (2) Superior divest certain commercial waste collection operations and a transfer station in the Mansfield area, and (3) Superior abandon its purchase of an Allied Landfill in the Leeper area.

A Competitive Impact statement filed by the United States describes the Complaint, the proposed Final Judgment, the industry, and remedies to be implemented by Allied and Superior. Copies of the Complaint, Hold Separate Stipulation and Order, proposed Final Judgment, and the Competitive Impact Statement are available for inspection in Room 215 of the U.S. Department of Justice, Antitrust Division, 325 7th

Street, NW, Washington, DC, and at the office of the Clerk of the United States District Court for the District of Columbia, Washington, DC. Copies of any of these materials may be obtained upon request and payment of a copying fee.

Public comment is invited within the statutory 60-day comment period. Such comments and response thereto will be published in the **Federal Register** and filed with the Court. Comments should be directed to J.
