BILLING CODE 4910-13-U

DEPARTMENT OF VETERANS AFFAIRS

38 CFR Part 21

RIN 2900-AJ89

Increase in Rates Payable Under the Montgomery GI Bill—Active Duty

AGENCY: Department of Veterans Affairs.

ACTION: Final rule.

SUMMARY: By statute, the monthly rates of basic educational assistance payable to veterans under the Montgomery GI Bill—Active Duty must be adjusted each fiscal year. In accordance with the statutory formula, the regulations governing rates of basic educational assistance payable under the Montgomery GI Bill—Active Duty for fiscal year 2000 (October 1, 1999, through September 30, 2000) are changed to show a 1.6% increase in these rates.

DATES: *Effective Date:* This final rule is effective July 20, 2000.

Applicability: However, the changes in rates are applied retroactively to conform to statutory requirements. For more information concerning the dates applicability, see the **SUPPLEMENTARY INFORMATION** section.

FOR FURTHER INFORMATION CONTACT:

William G. Susling, Jr., Education Advisor, Education Service (225C), Veterans Benefits Administration, Department of Veterans Affairs, (202) 273-7187.

SUPPLEMENTARY INFORMATION: Under the formula mandated by 38 U.S.C. 3015(g) for fiscal year 2000, the rates of basic educational assistance under the Montgomery GI Bill—Active Duty payable to students pursuing a program of education full time must be increased by 1.6%, which is the percentage by which the total of the monthly Consumer Price Index-W for July 1, 1998, through June 30, 1999, exceeds the total of the monthly Consumer Price Index-W for July 1, 1997, through June 30, 1998.

It should be noted that some veterans will receive an increase in monthly payments that will be less than 1.6%. The increase does not apply to additional amounts payable by the Secretary of Defense to individuals with skills or a specialty in which there is a critical shortage of personnel (so-called "kickers"). It does not apply to amounts payable for dependents. Veterans who previously had eligibility under the Vietnam Era GI Bill receive monthly payments that are in part based upon basic educational assistance and in part based upon the rates payable under the

Vietnam Era GI Bill. Only that portion attributable to basic educational assistance is increased by 1.6%.

38 U.S.C. 3015(a) and (b) require that the Department of Veterans Affairs (VA) pay part-time students at appropriately reduced rates. Since the first student became eligible for assistance under the Montgomery GI Bill—Active Duty in 1985, VA has paid three-quarter-time students and one-half-time students at 75% and 50% of the full-time institutional rate, respectively. Students pursuing a program of education at less than one-half but more than one-quarter-time have had their payments limited to 50% or less of the full-time institutional rate. Similarly, students pursuing a program of education at one-quarter-time or less have had their payments limited to 25% or less of the full-time institutional rate. Changes are made consistent with the authority and formula described in this paragraph.

In addition, 38 U.S.C. 3032(c) requires that monthly rates payable to veterans in apprenticeship or other on-the-job training must be set at a given percentage of the full-time rate. Hence, there is a 1.6% raise for such training as well.

Nonsubstantive changes also are made for the purpose of clarity.

The changes set forth in this final rule are effective from the date of publication, but the changes in rates are applied retroactively from October 1, 1999 in accordance with the applicable statutory provisions discussed above.

Changes made by this final rule merely reflect statutory requirements and adjustments made based on previously established formulas. Accordingly, there is a basis for dispensing with prior notice and comment and delayed effective date provisions of 5 U.S.C. 552 and 553.

Executive Order 12866

The Office of Management and Budget has reviewed this final rule under Executive Order 12866.

Regulatory Flexibility Act

The Secretary of Veterans Affairs hereby certifies that this final rule will not have a significant economic impact on a substantial number of small entities as they are defined in the Regulatory Flexibility Act, 5 U.S.C. 601-612. This final rule directly affects only individuals and does not directly affect small entities. Pursuant to 5 U.S.C. 605(b), this final rule, therefore, is exempt from the initial and final regulatory flexibility analyses requirements of sections 603 and 604.

Unfunded Mandates

The Unfunded Mandates Reform Act requires (in section 202) that agencies prepare an assessment of anticipated costs and benefits before developing any rule that may result in an expenditure by State, local, or tribal governments, in the aggregate, or by the private sector of \$100 million or more in any given year. This rule would have no consequential effect on State, local, or tribal governments.

Catalog of Federal Domestic Assistance Program Numbers

The Catalog of Federal Domestic Assistance number for the program affected by this final rule is 64.124.

ENVIRONMENTAL PROTECTION AGENCY

40 CFR Part 52

[DC 045–2020a; FRL–6838–5]

Approval and Promulgation of Air Quality Implementation Plans; District of Columbia; Approval of National Low Emission Vehicle Program

AGENCY: Environmental Protection Agency (EPA).

ACTION: Direct final rule.

SUMMARY: EPA is taking direct final action to approve a State Implementation Plan (SIP) revision submitted by the District of Columbia,

which formalizes the District's commitment to accept sales of motor vehicles that comply with the requirements of the National Low Emission Vehicle (National LEV) program.

The District of Columbia submitted its National LEV SIP revision to EPA on February 16, 2000. Through its adopted regulations submitted as part of its National LEV SIP revision, the District has agreed to the sale of National LEV compliant vehicles within its borders, in lieu of implementation of a California LEV program. Under the National LEV Program, auto manufacturers have agreed to sell cleaner vehicles meeting National LEV standards throughout the District and other participating states for the duration of the manufacturers' commitments to the National LEV Program. A SIP revision from each participating state is required as part of the agreement between the states and automobile manufacturers to ensure

continuation of the National LEV Program to supply clean cars throughout most of the country. The sale of vehicles complying with the National LEV program standards began with 1999 model year vehicles in Northeast states. The National LEV program will then be expanded to include states outside the Northeast beginning with 2001 model year vehicles.

DATES: This rule is effective on September 18, 2000 without further notice, unless EPA receives adverse comment by August 21, 2000. If we receive such comment, EPA will publish a timely withdrawal of the direct final rule in the **Federal Register** informing the public that this rule will not take effect.

ADDRESSES: Written comments should be mailed to David L. Arnold, Chief, Ozone and Mobile Sources Branch, Mailcode 3AP21, U.S. Environmental Protection Agency, Region III, 1650 Arch Street, Philadelphia, Pennsylvania
