

Whereas, by an Act of Congress approved June 18, 1934, an Act "To provide for the establishment \* \* \* of foreign-trade zones in ports of entry of the United States, to expedite and encourage foreign commerce, and for other purposes," as amended (19 U.S.C. 81a-81u) (the Act), the Foreign-Trade Zones Board (the Board) is authorized to grant to qualified corporations the privilege of establishing foreign-trade zones in or adjacent to U.S. Customs ports of entry;

Whereas, the Board's regulations (15 CFR part 400) provide for the establishment of special-purpose subzones when existing zone facilities cannot serve the specific use involved, and when the activity results in a significant public benefit and is in the public interest;

Whereas, an application from the Illinois International Port District, grantee of FTZ 22, for authority to establish special-purpose subzone status at the oil refinery complex of Premcor Refining Group Inc. (formerly Clark Refining & Marketing, Inc.) in Cook County, Illinois, was filed by the Board on February 2, 1999, and notice inviting public comment was given in the **Federal Register** (FTZ Docket 5-99, 64 FR 6877, 2/11/99; amended, 65 FR 11038, 3/1/00); and,

Whereas, the Board adopts the findings and recommendations of the examiner's report, and finds that the requirements of the FTZ Act and Board's regulations would be satisfied, and that approval of the application, as amended, would be in the public interest if approval is subject to the conditions listed below;

Now, therefore, the Board hereby authorizes the establishment of a subzone (Subzone 22L) at the oil refinery complex of Premcor Refining Group Inc. (formerly Clark Refining & Marketing, Inc.) in Cook County, Illinois, at the locations described in the application, as amended, subject to the FTZ Act and the Board's regulations, including § 400.28, and subject to the following conditions:

1. Foreign status (19 CFR 146.41, 146.42) products consumed as fuel for the refinery shall be subject to the applicable duty rate.

2. Privileged foreign status (19 CFR 146.41) shall be elected on all foreign merchandise admitted to the subzone, except that non-privileged foreign (NPF) status (19 CFR 146.42) may be elected on refinery inputs covered under HTSUS Subheadings #2709.00.1000-#2710.00.1050, #.2710.2500 and #2710.0.4510 which are used in the production of:

—petrochemical feedstocks and refinery by-products (examiners report, Appendix "C");

—products for export;

—and, products eligible for entry under HTSUS #9808.00.30 and #9808.00.40 (U.S. Government purchases).

3. The authority with regard to the NPF option is initially granted until September 30, 2003, subject to extension.

Signed at Washington, DC, this 11th day of July 2000.

[Order No. 1110]

#### Approval of Processing Activity Within Foreign-Trade Zone 37, Orange County, New York; Newburgh Dye & Printing, Inc. and Prismatic Dyeing & Finishing, Inc. (Textile Finishing)

Pursuant to its authority under the Foreign-Trade Zones Act of June 18, 1934, as amended (19 U.S.C. 81a-81u) (the Act), the Foreign-Trade Zones Board (the Board) adopts the following Order:

Whereas, the County of Orange, New York, grantee of FTZ 37, and the FTZ of Orange, Ltd., have requested authority under 15 CFR 400.32(b)(1) of the Board's regulations on behalf of Newburgh Dye & Printing, Inc., and Prismatic Dyeing & Finishing, Inc., to process foreign textile products for the U.S. market and export under zone procedures, subject to restriction, within FTZ 37 (filed 4-26-2000, FTZ Docket 15-2000);

Whereas, pursuant to 15 CFR 400.32(b)(1), the Commerce Department's Assistant Secretary for Import Administration has the authority to act for the Board in making such decisions on new manufacturing/processing activity under certain circumstances, including situations where the proposed zone benefits being sought do not involve the election of nonprivileged foreign status on foreign textile products (15 CFR 400.32(b)(1)(iii)); and,

Whereas, the application seeks FTZ authority for only the following

Whereas, the FTZ Staff has reviewed the proposal, taking into account the criteria of 15 CFR 400.31, and the Executive Secretary has recommended approval;

Now, therefore, the Assistant Secretary for Import Administration, acting for the Board pursuant to 15 CFR 400.32(b)(1), concurs in the recommendation and hereby approves the request subject to the Act and the Board's regulations, including 15 CFR 400.28, and further subject to the restrictions listed below.

1. Privileged foreign status (19 CFR 146.41) shall be elected on all foreign status fabric admitted to FTZ 37 for the Newburgh Dye & Printing, Inc., and Prismatic Dyeing & Finishing, Inc., activity;

2. No activity under FTZ procedures shall be permitted that would result in a shift in HTSUS classification or a change in textile quota classification or country of origin; and,

3. All FTZ activity shall be subject to Section 146.63(d) of the U.S. Customs Service regulations (19 CFR part 146).

\* Order revoked effective 01/01/2000 as a result of sunset review.

\*\* This order is currently undergoing a "sunset" review pursuant to section 751(c) of the Act. If, subsequent to publication of this opportunity notice, the order should be revoked pursuant to "sunset," any review (if requested) or automatic liquidation instruction (if no review is requested) will only cover through the last day prior to the effective date of revocation.

In accordance with section 351.213(b) of the regulations, an interested party as defined by section 771(9) of the Act may request in writing that the Secretary conduct an administrative review. For both antidumping and countervailing duty reviews, the interested party must specify the individual producers or exporters covered by an antidumping finding or an antidumping or countervailing duty order or suspension agreement for which it is requesting a review, and the requesting party must state why it desires the Secretary to review those particular producers or exporters. If the interested party intends for the Secretary to review sales of merchandise by an exporter (or a producer if that producer also exports merchandise from other suppliers) which were produced in more than one country of origin and each country of origin is subject to a separate order, then the interested party must state specifically, on an order-by-order basis, which exporter(s) the request is intended to cover.

Seven copies of the request should be submitted to the Assistant Secretary for Import Administration, International Trade Administration, Room 1870, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230. The Department also asks parties to serve a copy of their requests to the Office of Antidumping/Countervailing Enforcement, Attention: Sheila Forbes, in room 3065 of the main Commerce Building. Further, in accordance with section 351.303(f)(1)(i) of the regulations, a copy of each request must be served on every party on the Department's service list.

The Department will publish in the **Federal Register** a notice of "Initiation of Administrative Review of Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation" for requests received by the last day of July 2000. If the Department does not receive, by the last day of July 2000, a request for review of entries covered by an order, finding, or

suspended investigation listed in this notice and for the period identified above, the Department will instruct the Customs Service to assess antidumping or countervailing duties on those entries at a rate equal to the cash deposit of (or bond for) estimated antidumping or countervailing duties required on those entries at the time of entry, or withdrawal from warehouse, for consumption and to continue to collect the cash deposit previously ordered.

This notice is not required by statute but is published as a service to the international trading community.

Dated: July 14, 2000.

#### Postponement of Preliminary Determinations

The Department of Commerce (the Department) is postponing the preliminary determinations in the antidumping duty investigations of steel

wire rope from India, Malaysia, and the People's Republic of China (PRC).

On March 17, 2000, the Department initiated antidumping investigation of steel wire rope from India, Malaysia, the PRC, and Thailand.<sup>1</sup> See *Initiation of Antidumping Duty Investigations: Steel Wire Rope from India, Malaysia, the People's Republic of China, and Thailand*, 65 FR 16173 (March 27, 2000). The notice stated that the Department would issue its preliminary determinations no later than 140 days after the date of initiation (*i.e.*, August 4, 2000).

On July 7, 2000, pursuant to section 733(c)(1)(A) of the Tariff Act of 1930, as amended, the Committee of Domestic Steel Wire Rope and Specialty Cable Manufacturers (the petitioners) requested that the Department postpone the issuance of the preliminary determinations in these investigations. The petitioners' request for postponement was timely, and the Department finds no compelling reason to deny the request. Therefore, we are postponing the deadline for issuing these determinations until September 25, 2000.

This extension is in accordance with section 733(c) of the Act and 19 CFR 351.205(b)(2).
