NB: In North America, Canada *does not qualify* for this year's Diversity Program.

IMPORTANT NOTICE: Applicants must meet all eligibility requirements under the U.S. law in order to be issued visas.

Processing of applications and issuance of diversity visas to successful applicants and their eligible family members **MUST** occur by September 30, 2002. Under no circumstances can Diversity Visas be issued or adjustments approved after this date. Family members may not obtain diversity visas to follow to join the applicant in the U.S. after this date.

There is no initial fee, other than postage, required to enter the DV-2002 program. The use of an outside intermediary or assistance to prepare a DV-2002 entry is entirely at the applicant's discretion. Qualified entries received directly from applicants or through intermediaries have equal chances of being selected by computer. There is no advantage to mailing early, or mailing from any particular place. Every application received during the mail-in period will have an equal random chance of being selected within its region. However, more than one application per person will disqualify the person from registration.

How are winners selected?

Applicants will be selected at random by computer from among all qualified entries.

Notifying Winners

Only successful entrants will be notified. They will be notified by mail between May through July of 2001 at the address listed on their entry. Winners will also be sent instructions on how to apply for an immigrant visa, including information on the fee for immigrant visas and a separate visa lottery surcharge. Successful entrants must complete the immigrant visa application process and meet all eligibility requirements under U.S. law to be issued a visa. Persons not selected will NOT be notified. U.S. embassies and consulates will not be able to provide a list of successful applicants. Spouses and unmarried children of successful applicants under 21 may also apply for visas to accompany or follow to join the principal applicant. DV 2002 visas will

be issued between October 1, 2001 and September 30, 2002.

Being selected as a winner in the DV Lottery does not automatically guarantee being issued a visa even if the applicant is qualified, because the number of entries selected and registered is greater than the number of immigrant visas available. Those selected will, therefore, need to complete and file their immigrant visa applications quickly. Once all the diversity visas have been issued or on September 30, 2002, whichever is sooner, the DV Program for Fiscal Year 2002 will end.

Obtaining Instructions on Entering the DV Lottery

Interested persons may call (202) 331-7199, which describes the various means to obtain further details on entering the DV-2002 program. Applicants overseas may contact the nearest U.S. embassy or consulate for instructions on the DV lottery. DV information is also available in the *Visa Bulletin* on the Internet at <http://travel.state.gov> or via the Consular Affairs automated fax at (202) 647-3000 (code 1550). Calls to the automated fax service must be made from a fax machine using the receiver or voice option of the caller's fax equipment.

Dated: July 26, 2000.
