collection of information to: (1) Evaluate
whether the proposed collection of
information is necessary for the proper
performance of the functions of the
agency, including whether the
information will have practical utility;

estimate of the burden of the proposed

techniques or other forms of information
technology; e.g., permitting electronic
submission of responses.

This Notice also lists the following
information:

Title of Proposal: Insurance
Information.

OMB Control Number: 2577-0045.

*Description of the need for the
information and proposed use:* The
Annual Contributions Contract between
HUD and a Public Housing Agency
(PHA) requires the PHA to insure their
property for an amount sufficient to
protect against financial loss.
Completion of the HUD-5460 is needed

only when a new project is considered.
It is used to establish an insurable value
at the time the project is built. The
amount of insurance can then be
increased each year as inflation and
increased costs of construction create an
upward trend on insurable values.

Agency form number: HUD-5460.

Members of affected public: State or
Local government.

Estimation of the total number of
hours needed to prepare the information
collection including number of
respondents, frequency of response, and
hours of response: Based upon historical
information, it is estimated that
approximately 60 new projects will be
constructed each year. Public burden for
collection of the information necessary
to complete the HUD-5460 is estimated
to average one hour per response,
including time for reviewing
instructions, gathering data needed, and
reviewing the collection of information.
The annual burden hours per PHA
should not exceed one hour, and the
total hours for all combined would be
approximately sixty.

*Status of the proposed information
collection:* Extension, without change.

Authority: Section 3506 of the Paperwork
Reduction Act of 1995, 44 U.S.C. Chapter 35,
as amended.

Dated: August 16, 2000.

Harold Lucas,

*Assistant Secretary for Public and Indian
Housing.*

Previous editions are obsolete

Public reporting burden for this collection of information is estimated to average 1 hour per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. This agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number.

The Annual Contributions Contract (ACC) between HUD and a Public Housing Agency (PHA) or Indian Housing Authority (IHA) requires the PHA or IHA to insure their property for an amount sufficient to protect against financial loss. PHAs/IHAs complete the Form HUD-5460 only when a new project is constructed. It is used to establish an insurable value at the time the project is built. The amount of insurance can then be increased each year as inflation and increased costs of construction create an upward trend on insurable values. Responses to the collection of information are voluntary. The information requested does not lend itself to confidentiality.
