**INTERNATIONAL TRADE COMMISSION**

**[Investigations Nos. 731–TA–864–867 (Final)]**

**Certain Stainless Steel Butt-Weld Pipe Fittings From Germany, Italy, Malaysia, and the Philippines**

**AGENCY:** United States International Trade Commission.

**ACTION:** Scheduling of the final phase of antidumping investigations.

**SUMMARY:** The Commission hereby gives notice of the scheduling of the final phase of antidumping investigations Nos. 731–TA–864, 865, and 867 (Final) under section 735(b) of the Tariff Act of 1930 (19 U.S.C. 1673d(b)) (the Act) to determine whether an industry in the United States is materially injured or threatened with material injury, or the establishment of an industry in the United States is materially retarded, by reason of less-than-fair-value imports from Germany, Italy, and the Philippines of stainless steel butt-weld pipe fittings, provided for in subheading 7307.23.00 of the Harmonized Tariff Schedule of the United States.<sup>1</sup> Section

<sup>1</sup> For purposes of these investigations, Commerce has defined the subject merchandise as follows: "Certain stainless steel butt-weld pipe fittings are under 14 inches in outside diameter (based on nominal pipe size), whether finished or unfinished. The product encompasses all grades of stainless steel and "commodity" and "specialty" fittings. Specifically excluded from the definition are threaded, grooved, and bolted fittings, and fittings made from any material other than stainless steel. The fittings subject to these investigations are generally designated under specification ASTM A403/A403M, the standard specification for Wrought Austenitic Stainless Steel Piping Fittings, or its foreign equivalents (e.g., DIN or JIS specifications). This specification covers two general classes of fittings, WP and CR, of wrought austenitic stainless steel fittings of seamless and welded construction covered by the latest revision

207.21(b) of the Commission's rules provides that, where the Department of Commerce has issued a negative preliminary determination, the Commission will not publish a notice of scheduling for the final phase of its investigation unless and until it receives an affirmative final determination from Commerce. Although the Department of Commerce has preliminarily determined that certain stainless steel butt-weld pipe fittings from Malaysia are not being sold, nor are likely to be sold, in the United States at less than fair value, for purposes of efficiency the Commission hereby waives rule 207.21(b) and gives notice of the scheduling of the final phase of the antidumping investigation No. 731–TA–866 (Final) under section 735(b) of the Act. The Commission is taking this action so that the final phases of the antidumping investigations may proceed concurrently in the event that Commerce makes a final affirmative antidumping determination with respect to Malaysia. If Commerce makes a final negative antidumping determination with respect to Malaysia, the Commission will terminate its antidumping investigation under section 735(c)(2) of the Act (19 U.S.C. 1673d(c)(2)), and section 207.2(d) of the Commission's rules.

For further information concerning the conduct of this phase of the investigations, hearing procedures, and rules of general application, consult the Commission's Rules of Practice and Procedure, part 201, subparts A through E (19 CFR part 201), and part 207, subparts A and C (19 CFR part 207).

of ANSI B16.9, ANSI B16.11, and ANSI B16.28. Pipe fittings manufactured to specification ASTM A774, or its foreign equivalents, are also covered by these investigations. These investigations do not apply to cast fittings. Cast austenitic stainless steel pipe fittings are covered by specifications A351/A351M, A743/743M, and A744/A744M."

**Background.**—The final phase of these investigations is being scheduled as a result of an affirmative preliminary determination by the Department of Commerce that imports of stainless steel butt-weld pipe fittings from Germany, Italy, and the Philippines are being sold in the United States at less than fair value within the meaning of section 733 of the Act (19 U.S.C. 1673b). These investigations were requested in a petition filed on December 29, 1999 by Alloy Piping Products, Inc., Shreveport, LA; Flowline Div. of Markovitz Enterprises, Inc., New Castle, PA; Gerlin, Inc., Carol Stream, IL; and Taylor Forge Stainless, Inc., North Branch, NJ.

**Participation in the investigations and public service list.**—Persons, including industrial users of the subject merchandise and, if the merchandise is sold at the retail level, representative consumer organizations, wishing to participate in the final phase of these investigations as parties must file an entry of appearance with the Secretary to the Commission, as provided in section 201.11 of the Commission's rules, no later than 21 days prior to the hearing date specified in this notice. A party that filed a notice of appearance during the preliminary phase of the investigations need not file an additional notice of appearance during this final phase. The Secretary will maintain a public service list containing the names and addresses of all persons, or their representatives, who are parties to the investigations.

**Limited disclosure of business proprietary information (BPI) under an administrative protective order (APO) and BPI service list.**—Pursuant to section 207.7(a) of the Commission's rules, the Secretary will make BPI gathered in the final phase of these investigations available to authorized applicants under the APO issued in the investigations, provided that the application is made no later than 21 days prior to the hearing date specified in this notice. Authorized applicants must represent interested parties, as defined by 19 U.S.C. 1677(9), who are parties to the investigations. A party granted access to BPI in the preliminary phase of the investigations need not reapply for such access. A separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO.

**Staff report.**—The prehearing staff report in the final phase of these investigations will be placed in the nonpublic record on October 4, 2000, and a public version will be issued thereafter, pursuant to section 207.22 of the Commission's rules.

**Hearing.**—The Commission will hold a hearing in connection with the final phase of these investigations beginning at 9:30 a.m. on October 17, 2000, at the U.S. International Trade Commission Building. Requests to appear at the hearing should be filed in writing with the Secretary to the Commission on or before October 6, 2000. A nonparty who has testimony that may aid the Commission's deliberations may request permission to present a short statement at the hearing. All parties and nonparties desiring to appear at the hearing and make oral presentations should attend a prehearing conference to be held at 9:30 a.m. on October 12, 2000, at the U.S. International Trade Commission Building. Oral testimony and written materials to be submitted at the public hearing are governed by sections 201.6(b)(2), 201.13(f), and 207.24 of the Commission's rules. Parties must submit any request to present a portion of their hearing testimony *in camera* no later than 7 days prior to the date of the hearing.

**Written submissions.**—Each party who is an interested party shall submit a prehearing brief to the Commission. Prehearing briefs must conform with the provisions of section 207.23 of the Commission's rules; the deadline for filing is October 11, 2000. Parties may also file written testimony in connection with their presentation at the hearing, as provided in section 207.24 of the Commission's rules, and posthearing briefs, which must conform with the provisions of section 207.25 of the Commission's rules. The deadline for filing posthearing briefs is October 24, 2000; witness testimony must be filed no later than three days before the hearing. In addition, any person who has not entered an appearance as a party to the investigations may submit a written statement of information pertinent to the subject of the investigations on or before October 24, 2000. On November 13, 2000 (for Germany) and January 11, 2001 (for all other investigations), the Commission will make available to parties all information on which they have not had an opportunity to comment. Parties may submit final comments on this information on or before November 15, 2000 (for Germany) and January 16, 2001 (for all other investigations), but such final comments must not contain new factual information and must otherwise comply with section 207.30 of the Commission's rules. All written submissions must conform with the provisions of section 201.8 of the Commission's rules; any submissions that contain BPI must also conform with

the requirements of sections 201.6, 207.3, and 207.7 of the Commission's rules. The Commission's rules do not authorize filing of submissions with the Secretary by facsimile or electronic means.

In accordance with sections 201.16(c) and 207.3 of the Commission's rules, each document filed by a party to the investigations must be served on all other parties to the investigations (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

**Authority:** These investigations are being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to section 207.21 of the Commission's rules.

Issued: August 17, 2000.

### Determinations

On the basis of the record<sup>1</sup> developed in the subject investigations, the United States International Trade Commission determines, pursuant to section 733(a) of the Tariff Act of 1930 (19 U.S.C. 1673b(a)), that there is a reasonable indication that a regional industry in the United States is materially injured or threatened with material injury by reason of imports from Belarus, China, Indonesia, Korea, Latvia, Moldova, Poland, and Ukraine of certain steel concrete reinforcing bars, provided for in subheading 7214.20.00 of the Harmonized Tariff Schedule of the United States,<sup>2</sup> that are alleged to be sold in the United States at less than fair value (LTFV). The Commission further

<sup>1</sup> The record is defined in sec. 207.2(f) of the Commission's Rules of Practice and Procedure (19 CFR 207.2(f)).

<sup>2</sup> For purposes of these investigations, certain steel concrete reinforcing bars are all steel concrete reinforcing bars ("rebar") sold in straight lengths. Specifically excluded are plain rounds (*i.e.*, non-deformed or smooth bars) and rebar that has been further processed through bending or coating.
