SUMMARY: Under the provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), GSA has submitted to the Office of Management and Budget (OMB) a request to review and approve a new information collection concerning Child Care Subsidy Application—Provider. An emergency review was requested by OMB and notice was published in the **Federal Register** at 65 FR 24698, April 27, 2000. OMB approved the emergency collection and assigned OMB Control No. 3090-0275. The information collection also was published in the **Federal Register** on August 9, 2000 at 65 FR 37980 allowing for the standard 60-day public comment period. No comments were received.

The proposed information collection activity is for approval of the form for implementation of a GSA child care subsidy for lower income GSA employees in accordance with

provisions of the Office of Personnel Management Rules and Regulations 5 CFR Part 792, Agency Use of Appropriated Funds for Lower Income Employees. The rule was published March 14, 2000. The form would verify the child care fees paid by Federal employees to licensed child care providers so that providers could be paid a portion of those fees by GSA. The rule requires funds to subsidize lower income employees' child care rates be given to child care providers rather than employees. The form will also request banking information so those child care providers can be paid via electronic funds transfer.

DATES: Submit comments on or before September 27, 2000.
