[STB Finance Docket No. 33912]

Wisconsin Central Ltd. and Fox Valley & Western Ltd.—Joint Relocation Project Exemption—Wisconsin Rapids, WI

On August 14, 2000, Wisconsin Central Ltd. (WCL) and Fox Valley & Western Ltd. (FVW) filed a notice of exemption under 49 CFR 1180.2(d)(5) to relocate certain lines of railroad in Wisconsin Rapids, WI. The transaction

was scheduled to be consummated no sooner than August 22, 2000.

WCL operates a line in Wisconsin Rapids that runs in a generally north-south orientation (WCL Line). The WCL Line is a portion of WCL's Valley Sub between Tomahawk, WI, and New Lisbon, WI. FVW operates a line in Wisconsin Rapids that runs in a generally east-west orientation (FVW Line). The FVW Line is a portion of FVW's Whitehall Sub between East Winona, WI, and Plover, WI. WCL and FVW currently share the use of an Industrial Spur currently owned by the City of Wisconsin Rapids. As part of this transaction FVW will acquire ownership of the Industrial Spur. WCL will continue to have rights to access the Industrial Spur after the transaction is consummated.¹

In addition, under the joint relocation project, WCL and FVW propose the following transactions:

(1) FVW will abandon a line of railroad on the FVW Line, as it currently sits, from milepost 97.28 to milepost 96.15;

(2) FVW will use the Industrial Spur, which connects with the FVW Line at FVW milepost 97.28, to access the WCL Line, at WCL milepost 50.80, which will also become FVW milepost 96.71;

(3) WCL will grant FVW trackage rights to operate on the WCL Line from WCL milepost 50.80 to WCL milepost 49.85, where FVW trains will be able to access the FVW Line at FVW milepost 96.15.

The proposed joint relocation project will not disrupt service to shippers. Its purpose is to simplify rail operations in Wisconsin Rapids and accommodate efforts to reduce rail interference with vehicular traffic.

The Board will exercise jurisdiction over the abandonment or construction components of a relocation project, and require separate approval or exemption, only where the removal of track affects service to shippers or the construction of new track involves expansion into new territory. *See City of Detroit v. Canadian National Ry. Co.*, et al., 9 I.C.C.2d 1208 (1993), *aff'd sub nom. Detroit/Wayne County Port Authority v. ICC*, 59 F.3d 1314 (D.C. Cir. 1995). Line relocation projects may embrace trackage rights transactions such as the one involved here. *See D.T.&I.R.—Trackage Rights*, 363 I.C.C. 878 (1981).

¹ According to the verified notice of exemption, the Union Pacific Railroad Company (UP) also has access rights to the Industrial Spur, which UP will retain when the transaction is completed.

Under these standards, the incidental abandonment, construction, and trackage rights components require no separate approval or exemption when the relocation project, as here, will not disrupt service to shippers and thus qualifies for the class exemption at 49 CFR 1180.2(d)(5).

As a condition to this exemption, any employees affected by the trackage rights will be protected by the conditions imposed in *Norfolk and Western Ry. Co.—Trackage Rights—BN*, 354 I.C.C. 605 (1978), as modified in *Mendocino Coast Ry., Inc.—Lease and Operate*, 360 I.C.C. 653 (1980).

If the notice contains false or misleading information, the exemption is void *ab initio*. Petitions to revoke the exemption under 49 U.S.C. 10502(d) may be filed at any time. The filing of a petition to revoke will not automatically stay the transaction.

An original and 10 copies of all pleadings, referring STB Finance Docket No. 33912, must be filed with the Surface Transportation Board, Office of the Secretary, Case Control Unit, 1925 K Street, NW., Washington, DC 20423-0001. In addition, a copy of each pleading must be served on Michael J. Barron, Esq., Wisconsin Central Ltd. and Fox Valley & Western Ltd., 6250 North River Road, Suite 9000, Rosemond, IL 60018.

Board decisions and notices are available on our website at "WWW.STB.DOT.GOV."

Decided: August 22, 2000.

By the Board, David M. Konschnik,
Director, Office of Proceedings.

Vernon A. Williams,
Secretary.

Persons wishing to oppose this application must follow the rules under 49 CFR part 1182.5 and 1182.8. The Board has tentatively approved the transaction, and, if no opposing comments are timely filed, this notice will be the final Board action.

ADDRESSES: Send an original and 10 copies of any comments referring to STB Docket No. MC-F-20973 to: Surface Transportation Board, Office of the Secretary, Case Control Unit, 1925 K Street, NW., Washington, DC 20423-0001. FOR FURTHER INFORMATION CONTACT: Joseph H. Dettmar (202) 565-1600. [TDD for the hearing impaired: 1-800-877-8339.]

SUPPLEMENTARY INFORMATION:

Stagecoach is a public limited corporation organized under the laws of Scotland. With operations in several countries, Stagecoach is one of the world's largest providers of passenger transportation services. Stagecoach had annual revenues for the fiscal year ending April 30, 2000, of \$3.29 billion. Coach is a Delaware corporation that currently controls over 80 motor passenger carriers.

Stagecoach and its subsidiaries currently control Coach,¹ its noncarrier regional management subsidiaries, and the motor passenger carriers jointly controlled by Coach and the management subsidiaries.² In previous Board decisions, Coach management subsidiaries, including Coach USA Southeast, Inc., have obtained authority to control motor passenger carriers jointly with Coach.³

Applicants state that, on May 2, 2000, Coach purchased all of the stock of Tour USA International, Inc. (Tour USA), then a noncarrier. In a transaction

approved by the Federal Motor Carrier Safety Administration, Tour USA simultaneously acquired federally-issued interstate motor passenger carrier operating authority held by an individual, Raimo Nikunen d/b/a Midnight Sun. Simultaneous with that acquisition, Coach placed the stock of Tour USA, the name of which corporation was subsequently changed to Midnight Sun, into an independent voting trust. The control transaction that is the subject of this application will not involve any further transfer of the federal operating authority held by Midnight Sun and will not entail any change in its operations.⁴ Midnight Sun will also be jointly controlled by Coach USA Southeast, Inc.

Applicants have submitted information, as required by 49 CFR 1182.2(a)(7), to demonstrate that the proposed acquisition of control is consistent with the public interest under 49 U.S.C. 14303(b). Applicants state that the proposed transaction will not reduce competitive options, adversely impact fixed charges, or adversely impact the interests of the employees of Midnight Sun. In addition, applicants have submitted all of the other statements and certifications required by 49 CFR 1182.2. Additional information, including a copy of the application, may be obtained from the applicants' representative.

Under 49 U.S.C. 14303(b), we must approve and authorize a transaction we find consistent with the public interest, taking into consideration at least: (1) The effect of the transaction on the adequacy of transportation to the public; (2) the total fixed charges that result; and (3) the interest of affected carrier employees.

On the basis of the application, we find that the proposed acquisition of control is consistent with the public interest and should be authorized. If any opposing comments are timely filed, this finding will be deemed vacated and, unless a final decision can be made on the record as developed, a procedural schedule will be adopted to reconsider the application. See 49 CFR 1182.6(c). If no opposing comments are filed by the expiration of the comment period, this decision will take effect

automatically and will be the final Board action.

Board decisions and notices are available on our website at "WWW.STB.DOT.GOV."

This decision will not significantly affect either the quality of the human environment or the conservation of energy resources.

It is ordered:

1. The proposed acquisition of control is approved and authorized, subject to the filing of opposing comments.

2. If timely opposing comments are filed, the findings made in this decision will be deemed as having been vacated.

3. This decision will be effective on October 16, 2000, unless timely opposing comments are filed.

4. A copy of this notice will be served on: (1) The U.S. Department of Transportation, Federal Motor Carrier Safety Administration—HMCE-20, 400 Virginia Avenue, SW., Suite 600, Washington, DC 20024; (2) the U.S. Department of Justice, Antitrust Division, 10th Street & Pennsylvania Avenue, NW., Washington, DC 20530; and (3) the U.S. Department of Transportation, Office of the General Counsel, 400 7th Street, SW., Washington, DC 20590.

Decided: August 22, 2000.

By the Board, Chairman Morgan, Vice Chairman Burkes, and Commissioner Clyburn.

Vernon A. Williams,
Secretary.
