

the Commission finds that the proposed rule change furthers the objectives of Section 6(b)(5),<sup>8</sup> in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, and to remove impediments to and perfect the mechanism of a free and open market and national market system.

Specifically, the Commission believes that the proposal, as amended, which requires the reporting of all options transactions with 90 seconds of execution, should help to prevent fraudulent and manipulative acts and practices, as well as to promote just and equitable principles of trade. The Commission believes that the proposed rule change, as amended, should enable the Exchange to provide accurate trade information to investors more efficiently. The enhanced transparency associated with timely trade reporting should facilitate price discovery for investors and assist the Phlx's surveillance of its members' trading in listed options.

The Phlx has requested that the Commission find good cause for approving the proposed rule change, as amended, prior to the thirtieth day after the date of publication of notice in the **Federal Register**. The Commission believes the proposal is substantially similar to the Amex proposal to amend Amex rules to require the reporting of options transactions within 90 seconds of execution that was recently reviewed and approved by the Commission.<sup>9</sup> The Amex proposal was noticed for the full 21 day comment period and no comments were received. Accordingly, the Commission finds good cause pursuant to Section 19(b)(2) of the Act<sup>10</sup> to accelerate approval of the proposed rule change, as amended.

*It is therefore ordered*, pursuant to Section 19(b)(2) of the Act,<sup>11</sup> that the proposed rule change (SR-Phlx-00-49), as amended, is approved on an accelerated basis.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.<sup>12</sup>

*Deputy Secretary.*
