We gave interested parties an

amended (the Act) are references to the
provisions effective January 1, 1995, the
effective date of the amendments made
to the Act, by the Uruguay Round

Departments) regulations are to 19 CFR

Background

On May 8, 2000, the Department
published in the **Federal Register** the
preliminary results of the administrative
review of the antidumping duty order
on electrolytic manganese dioxide
(EMD) from Japan. See *Preliminary
Results of Antidumping Duty
Administrative Review: Electrolytic
Manganese Dioxide from Japan*, 65 FR

265780 (Preliminary Results). Kerr-McGee Chemical LLC and Chemetals, Inc. (collectively "the petitioners"), submitted their case briefs on June 7, 2000. Tosoh Corporation (Tosoh), the sole respondent in this review, submitted its case brief on June 7, 2000. Both the petitioners and Tosoh submitted their rebuttal on June 12, 2000. The Department has conducted this administrative review in accordance with section 751 of the Act.

Scope of Review

Imports covered by this review are shipments of EMD from Japan. EMD is manganese dioxide (MnO₂) that has been refined in an electrolysis process. The subject merchandise is an intermediate product used in the production of dry-cell batteries. EMD is sold in three physical forms, powder, chip or plate, and two grades, alkaline and zinc chloride. EMD is all three forms and both grades is included in the scope of the order. This merchandise is currently classifiable under item number 2820.10.0000 of the Harmonized Tariff Schedule of the United States (HTSUS). The HTSUS number is provided for convenience and customs purposes. It is not determinative of the products subject to the order. The written product description remains dispositive.

Analysis of Comments Received

All issues raised in the case and rebuttal briefs by the petitioners and Tosoh are addressed in the "Issues and Decision Memorandum" (Decision Memo) from Richard W. Moreland, Deputy Assistant Secretary to Troy H. Cribb, Acting Secretary, dated September 5, 2000, which is hereby adopted by this notice. A list of issues which parties have raised and to which we have responded, all of which are in the Decision Memo, is attached to this notice as an appendix. This Decision Memo, which is a public document, is on the file in the Central Records Unit, Main Commerce Building, Room B-099, and is accessible on the Web at www.ia.ita.doc.gov. The paper copy and electronic version of the Decision Memo are identical in content.

Sunset Revocation

On April 20, 2000, the International Trade Commission (ITC), pursuant to section 751(c) of the Act, determined that revocation of the antidumping duty order on EMD from Japan would not be likely to lead to continuation of recurrence of material injury within a reasonably foreseeable time. Therefore, because the order will be revoked as a result of the ITC's determination with

an effective date of January 1, 2000, no deposit requirements will be effective for shipments entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review

Final Results of Review

Based on our analysis of the comments received, we made no changes for the final results. Therefore, the final results of review are the same as those we presented in our preliminary results. We have determined that a weighted-average margin of zero percent exists for Tosoh for the period April 1, 1998, through March 31, 1999.

The Department will issue appraisement instruction directly to the Customs Service.

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305. Timely notification of return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

We are issuing and publishing this determination in accordance with sections 751(A)(1) and 777(i)(1) of the Act.

Dated: September 5, 2000.

Troy H. Cribb,

Acting Assistant Secretary for Import Administration.

Freshwater Crawfish Tail Meat From the People's Republic of China: Notice of Partial Rescission of New Shipper Antidumping Duty Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of partial rescission of new shipper antidumping duty review

DATES: *Effective Date:* September 15, 2000.

SUMMARY: On June 1, 2000, the Department of Commerce (the Department) published in the **Federal Register** (65 FR 35046) a notice announcing the initiation of four new shipper reviews of the antidumping duty order on freshwater crawfish tail meat (crawfish) from the People's Republic of China (PRC), covering the period September 1, 1999 through February 29, 2000. One new shipper review is now being rescinded as a result of the withdrawal of request for a new shipper antidumping duty review by Rizhao Riyuan Marine and Food Products Co., Ltd. (Rizhao Riyuan).

FOR FURTHER INFORMATION CONTACT:

Thomas Gilgunn, AD/CVD Enforcement Group III, Import Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230, telephone: (202) 482-0648.

SUPPLEMENTARY INFORMATION:

Background

On March 29, 2000, Rizhao Riyuan, an exporter of the subject merchandise, requested a new shipper review of the antidumping duty order on crawfish from the PRC in accordance with 19 CFR 351.214(b). On June 1, 2000, in accordance with 19 CFR 351.221(c)(1)(i), we initiated a new shipper review of this order for the period September 1, 1999 through February 29, 2000. On July 11, 2000, Rizhao Riyuan withdrew its request for this review.

Rescission of Review

The Department's regulations at 19 CFR 351.214(f)(1) provide that a party may withdraw its request for a new shipper review within 60 days of the date of publication of the notice of initiation of the requested review. Rizhao Riyuan's request for withdrawal was made within the 60 day period. Rescission of this review would not prejudice any party in this proceeding, as Rizhao Riyuan would continue to be included in the PRC-wide rate to which it was subject at the time of its request for this new shipper review. Rizhao Riyuan is the only party that requested a review of its sales for the period September 1, 1999 through February 29, 2000, and no other party has objected to its withdrawal of that request. Therefore, we are rescinding this review. This determination is issued and published in accordance with section 751 of the Tariff Act of 1930, as amended (19 U.S.C. 1675) and 19 CFR 351.214(f).
