In a notice and letter to the Commissioner of Customs published in the Federal Register on May 12, 2000 (65 FR 30571), the Government of the United States increased the limits for all quota categories as a result of the Royal Government of Cambodia's progress in improving working conditions in the Cambodian textile and apparel industries through increased compliance with internationally recognized core labor standards through the application of Cambodian labor law. The limits are being increased further because of Cambodia's continued efforts in this area.

A description of the textile and apparel categories in terms of HTS numbers is available in the CORRELATION: Textile and Apparel Categories with the Harmonized Tariff Schedule of the United States (see **Federal Register** notice 64 FR 71982, published on December 22, 1999).
