Certain Preserved Mushrooms From the People's Republic of China: Initiation of New Shipper Antidumping Duty Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce has received a request to conduct a new shipper review of the antidumping duty order on certain preserved mushrooms from the People's Republic of China. In accordance with 19 CFR 351.214(d), we are initiating this review.

EFFECTIVE DATE: October 2, 2000.

FOR FURTHER INFORMATION CONTACT: David J. Goldberger or Kate Johnson, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-4136 or (202) 482-4929, respectively.

The Applicable Statute

Unless otherwise indicated, all citations to the Tariff Act of 1930, as amended (the Act), are references to the provisions effective January 1, 1995, the effective date of the amendments made to the Act by the Uruguay Round Agreements Act. In addition, unless otherwise indicated, all citations to the Department of Commerce (the Department's) regulations are to 19 CFR part 351 (2000).

SUPPLEMENTARY INFORMATION:

Background

The Department has received a timely request from Green Fresh Foods (Zhangzhou) Co., Ltd. (Green Fresh Foods), in accordance with 19 CFR 351.214(c), for a new shipper review of

the antidumping duty order on certain preserved mushrooms from the People's Republic of China (PRC), which has an August semiannual anniversary date. *See Notice of Amendment of Final Determination of Sales at Less Than Fair Value and Antidumping Duty Order: Certain Preserved Mushrooms from the People's Republic of China*, 64 FR 8308 (February 19, 1999). As required by 19 CFR 351.214(b)(2)(i) and (iii)(A), Green Fresh Foods (the respondent) has certified that it did not export certain preserved mushrooms to the United States during the period of investigation (POI), and that it has never been affiliated with any exporter or producer which exported certain preserved mushrooms during the POI. Green Fresh Foods further certified that its export activities are not controlled by the central government of the PRC, pursuant to 19 CFR 351.214(b)(2)(iii)(B). Pursuant to the Department's regulations at 19 CFR 351.214(b)(2)(iv), Green Fresh Foods submitted documentation establishing the date on which it first shipped the subject merchandise to the United States, the volume of that first shipment, and the date of its first sale to an unaffiliated customer in the United States.

In accordance with section 751(a)(2)(B) of the Act, as amended, and 19 CFR 351.214(b), and based on information on the record, we are initiating the new shipper review as requested.

It is the Department's usual practice in cases involving non-market economies to require that a company seeking to establish eligibility for an antidumping duty rate separate from the country-wide rate provide *de jure* and *de facto* evidence of an absence of government control over the company's export activities. *See Certain Preserved Mushrooms from the People's Republic of China: Initiation of New Shipper Antidumping Duty Review*, 65 FR 17257
