[Public Notice 3431]

Bureau of European Affairs; U.S. Bilateral Assistance to Bosnia and Serbia

The Secretary of State issued on March 15, 2000, a waiver of restrictions under Section 566 of the Foreign Operations, Export Financing and Related Programs Appropriations Act, 2000, for bilateral assistance to the Republika Srpska (RS) and Serbia (excluding Kosovo), as follows:

(1) In the Republika Srpska:— support for civilian police restructuring; USAID and State public diplomacy programs promoting democratization, reconciliation, and free and independent media; the Community Reintegration and Stabilization Project of USAID, as well as its Bosnia Business Development, Economic Reform and Democratic Reform Programs; OSCE-supervised elections and human rights activities; and Trade and Development Agency (TDA) activities designed to assist U.S. businesses in Bosnia. The municipalities of Foca, Pale, and Prijedor are excluded from this waiver, because competent authorities have failed to take necessary and significant steps to apprehend and transfer war crimes indictees to the International Criminal Tribunal for the Former Yugoslavia. These municipalities will not be eligible for new U.S. assistance.

(2) In Serbia: State public diplomacy and USAID programs to support democratic reform, including free and independent media and labor; economic reform and other advisory assistance to the democratic FRY opposition; developing programs with NGOs for the delivery of humanitarian assistance through new distribution mechanisms that are independent of Belgrade regime control; and technical assistance, training grants, and exchanges designed to benefit opposition-controlled municipalities.

The Secretary noted that, “Our bilateral assistance promotes Dayton and an integrated Bosnia. Recipients of U.S. assistance must state in writing their support for Dayton and then act accordingly. Our assistance has promoted the growth of pro-Dayton parties in the RS, development of independent media, minority returns, privatization and market-oriented reform, increased minority representation in the RS police force, and efforts to investigate corruption and curb police abuse.

The promotion of independent media and pro-democracy NGOs has a special significance in the aftermath of the Kosovo conflict. The Milosevic regime in Belgrade has an interest in ensuring that no pro-Western governments can survive in areas of predominantly Serb population. RS authorities have demonstrated their readiness to ensure freedom of movement for members of opposition political parties and the
