## DEPARTMENT OF HEALTH AND HUMAN SERVICES

### Centers for Disease Control and Prevention

[Program Announcement 01012]

### Prevention Education and Access to Care Services for Persons Infected and Affected by HIV; Notice of Availability of Funds

#### A. Purpose

The Centers for Disease Control and Prevention (CDC) announces the availability of fiscal year (FY) 2001 funds for a cooperative agreement program for prevention education and access to care services for persons infected and affected by HIV. This program addresses the "Healthy People 2010" focus area of Human Immunodeficiency Virus Infection (HIV). For the conference copy of "Healthy People 2010" visit the internet site: <<http://www.health.gov/healthypeople>> The purpose of this program is to support the establishment of a national program to (1) provide education and prevention programs for persons infected with HIV to reduce risk

for transmitting HIV and facilitate access to care services; and (2) provide technical assistance to other CDC grantees to enhance their capacity to serve persons living with HIV and involve them in HIV prevention programs and planning efforts. Emphasis should be placed on providing assistance to grantees funded directly by CDC. Other HIV service providers can be provided assistance only if resources are sufficient for expanded services.

#### B. Eligible Applicants

Assistance will be provided only to national (organizations that conduct HIV prevention programs nationwide) non-profit organizations that meet the following criteria:

1. Have a valid tax-exempt status under Section 501(c)(3), as evidenced by an Internal Revenue Service (IRS) determination letter.

2. Have established policies and a documented record for at least three years of providing HIV prevention technical assistance and education nationally, serving as a national prevention and education resource, and facilitating access to care services for all people infected by HIV/AIDS.

3. More than 50% of the board of directors OR key staff (key management, supervisory, administrative positions such as executive, program, and fiscal director positions and key service provision positions) should be comprised of HIV infected people. Provide evidence of meeting this criteria by providing a description of your board composition and signing the enclosed certification. The certification must be signed by the board Chairperson or the Executive Director/CEO.

4. At least 50% of the organization's resources over the last three years must have been spent on HIV services for HIV infected persons. Submit a list of all funding (including in-kind resources) received in the last three years and identify the resources used to conduct activities targeting HIV infected persons. This information is subject to review and verification.

**Note:** Public Law 104-65 states that an organization described in section 501(c)(4) of the Internal Revenue Code of 1986 that engages in lobbying activities is not eligible to receive Federal funds constituting an award, grant, cooperative agreement, contract, loan, or any other form.

#### C. Availability of Funds

Approximately \$465,000 is available in FY 2001 to fund one award. It is expected that the award will begin on or about February 28, 2001 and will be made for a 12-month budget period
