Most customer satisfaction surveys will be recurring so that VBA can create ongoing measures of performance and to determine how well the agency meets customer service standards. Each collection of information will consist of the minimum amount of information necessary to determine customer needs and to evaluate VBA's performance. VBA expects to conduct an estimated 100 focus groups and receive up to 139,200 comment cards involving a total of 14,354 hours each year for 2001, 2002, and 2003. In addition, VBA expects to distribute written surveys with a total annual burden of approximately 12,236 hours in 2001, 12,566 hours in 2002, and 12,566 hours in 2003. The grand totals for both focus groups, comment cards, and written surveys are: 26,590 hours in 2001, 26,920 hours in 2002, and 26,920 hours in 2003.

Anyone may view the results of previously administered surveys on the internet by going to the following VBA surveys website: http://www.vba.va.gov/surveys/.

The areas of concern to VBA and its customers may change over time, and it is important to have the ability to evaluate customer concerns quickly. OMB will be requested to grant generic clearance approval for a 3-year period to conduct customer satisfaction surveys, focus groups and to send out comment cards. Participation in the surveys, focus groups, and comment cards will be voluntary and the generic clearance will not be used to collect information required to obtain or maintain eligibility for a VA program or benefit. In order to maximize the voluntary response rates, the information collection will be designed to make participation convenient, simple, and free of unnecessary barriers. Baseline data obtained through these information collections will be used to improve customer service standards. VBA will

consult with OMB regarding each specific information collection during this approval period.

Send comments and recommendations concerning any aspect of the information collection to VA's Desk Officer, OMB Human Resources and Housing Branch, New Executive Office Building, Room 10235, Washington, DC 20503 (202) 395–7316. Please refer to "OMB Control No. 2900–0569" in any correspondence.

Dated: September 25, 2000. By direction of the Acting Secretary.
