SUPPLEMENTARY INFORMATION:

I. Abstract

In response to the European Commission Directive on Data Protection that restricts transfers of personal information from Europe to countries whose privacy practices are not deemed "adequate," the U.S. Department of Commerce has developed a "safe harbor" framework that will allow U.S. organizations to satisfy the European Directive's requirements and ensure that personal data flows to the United States are not interrupted. In this process, the Department of Commerce repeatedly consulted with U.S. organizations affected by the European directive and interested non-government organizations.

On July 27, 2000, the European Commission issued its decision, in accordance with Article 25.6 of the Directive, that the Safe Harbor Privacy Principles provide adequate privacy protection. The safe harbor framework bridges the differences between the European Union (EU) and U.S. approaches to privacy protection. Under the safe harbor privacy framework, information is being collected in order to create a list of the organizations that have self-certified to the Principles.

Organizations that have signed up to this list are deemed "adequate" under the Directive and do not have to provide further documentation to European officials. This list will be used by European Union organizations to determine whether further information and contracts will be needed for a U.S. organization to receive personally identifiable information. The decision to enter the safe harbor is entirely voluntary. Organizations that decide to participate in the safe harbor must

comply with the safe harbor's requirements and publicly declare that they do so.

To be assured of safe harbor benefits, an organization needs to self certify annually to the Department of Commerce, in writing, that it agrees to adhere to the safe harbor's requirements, which includes elements such as notice, choice, access, and enforcement. It must also state in its published privacy policy statement that it adheres to the safe harbor.

This list will be used by European Union organizations to determine whether further information and contracts will be needed by a U.S. organization to receive personally identifiable information. It will be used by the European Data Protection Authorities to determine whether a company is providing "adequate" protection, and whether a company has requested to cooperate with the Data Protection Authority.

The list will also be accessed when there is a complaint logged in the EU against a U.S. organization, and used by the Federal Trade Commission and the Department of Transportation to determine whether a company is part of the safe harbor. It will be accessed if a company is practicing "unfair and deceptive" practices and has misrepresented itself to the public. In addition, the list will be used by the Department of Commerce and the European Commission to determine if organizations are signing up to the list on a regular basis.

II. Method of Collection

The information collection form will be provided via the Internet at <http://www.export.gov/SafeHarbor> and by mail to requesting U.S. firms.

Frozen Concentrated Orange Juice from Brazil; Amended Final Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: November 7, 2000.

FOR FURTHER INFORMATION CONTACT: Irina Itkin, AD/CVD Enforcement Group I, Office 2, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone (202) 482-0656.

Applicable Statute and Regulations

Unless otherwise indicated, all citations to the Act are references to the provisions effective January 1, 1995, the effective date of the amendments made to the Act by the Uruguay Round Agreements Act (URAA). In addition, unless otherwise indicated, all citations to the Department's regulations are to 19 CFR part 351 (1999).

Amendment to Final Results

In accordance with section 751(a) of the Act, on October 11, 2000, the Department published the final results of the 1998-1999 administrative review on frozen concentrated orange juice (FCOJ) from Brazil, in which we determined that U.S. sales of FCOJ from Brazil were made at less than normal value (65 FR 60406). On October 12, 2000, we received an allegation, timely filed pursuant to 19 CFR 351.224(c)(2), from the respondent, Citrovia Agro Industrial Ltda./Cambuhy MC Industrial Ltda./Cambuhy Citrus Comercial e Exportadora (collectively "Citrovia"), that the Department made a ministerial

error in its final results. We received comments on this allegation from the petitioners on October 18, 2000.

After analyzing Citrovia's submission and the petitioners' comments, we have determined, in accordance with 19 CFR 351.224, that a ministerial error was made in our final margin calculations for Citrovia. Specifically, we find that we failed to apply the proper U.S. dollar/Brazilian real exchange rate from January 13, 1999, through April 2, 1999, as outlined in the Concurrence Memorandum dated May 30, 2000. For a detailed discussion of the ministerial error, as well as the Department's analysis, see the memorandum to Louis Apple from the Team, dated October 31, 2000.

Therefore, in accordance with 19 CFR 351.224(e), we are amending the final results of the 1998-1999 antidumping duty administrative review on FCOJ from Brazil. The revised dumping margin is as follows:

Exporter/manufacturer	Original final margin percentage	Revised final margin percentage
Citrovia Agro Industrial Ltda./Cambuhy MC Industrial Ltda./Cambuhy Citrus Comercial e Exportadora	25.87	14.77

Scope of the Review

The merchandise covered by this review is FCOJ from Brazil. The merchandise is currently classifiable under item 2009.11.00 of the Harmonized Tariff Schedule of the United States (HTSUS). The HTSUS item number is provided for convenience and for customs purposes. The Department's written description of the scope of this proceeding remains dispositive.

This administrative review and notice are in accordance with sections 751(a)(1) and 777(i) of the Act.

Dated: October 31, 2000.

Troy H. Cribb,

Assistant Secretary for Import Administration.
