SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) requires that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. OMB may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The Leader, Regulatory Information Management Group, Office of the Chief Information Officer, publishes that notice containing proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g., new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or Recordkeeping burden. OMB invites public comment. The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology.

Title: OSFA Customer Satisfaction Survey Master Plan.

Frequency: As needed.

Affected Public: Not-for-profit institutions; Businesses or other for-profit; Individuals or household.

Reporting and Recordkeeping Hour Burden: Responses: 15,000; Burden Hours: 100,000.

Abstract: The Higher Education Amendments of 1998 established the Office of Student Financial Assistance (SFA) as the Government's first Performance-Based Organization (PBO). That legislation specifies that one purpose of the PBO is to improve program services and processes for students and other participants in the student financial assistance programs. This requirement establishes an ongoing need for SFA to be engaged in an interactive process of collecting information and using it to improve the delivery of student financial aid. As such, SFA is seeking OMB approval of a clearance process for customer satisfaction surveys and focus groups for years 2001-2003.
