

comments from any of the other participating Federal agencies. We have incorporated the additions recommended by the Public Law 102-477 subcommittee because we believe the additional information is necessary to provide the Department of Labor and the Office of Management and Budget with the information necessary to adequately manage and evaluate the Welfare to Work program. The collection of the additional information is the minimum amount of information needed to accomplish this goal and to limit information collection and reporting requirements for grantee tribes, many with limited resources.

OMB is required to make a decision concerning this information collection request between 30 and 60 days after publication of this document in the **Federal Register**. Therefore, a comment will receive the best consideration by OMB if it is submitted early during this comment period. Written comments and recommendations concerning this information collection should be sent directly to the Office of Information and Regulatory Affairs, OMB, Attention: Desk Officer for the Department of the Interior, Docket Library, Room 10102, 725 17th Street, NW, Washington, DC 20503.
