DEPARTMENT OF EDUCATION

National Assessment Governing Board; Information Collection Request

AGENCY: National Assessment Governing Board; Department of Education.

ACTION: Notice of revised information collection request; Request for comment.

SUMMARY: The National Assessment Governing Board (NAGB) is revising the Notice of Proposed Information Collection Request (ICR) published on January 17, 2000 in two ways. First, this notice extends the time for public comment to the National Assessment Governing Board to March 17, 2000. Per instructions in the January 17, 2000 notice, submit written comments identified by "ICR: VNT Research and Validation Support Studies (Option Year 2)" by mail or in person addressed to: Ray Fields, Assistant Director, National Assessment Governing Board, Suite 825, 800 North Capitol Street, NW, Washington, DC 20002. Comments may also be submitted electronically by sending electronic mail (e-mail) to Ray_Fields@ED.Gov. Electronic comments must be identified by the title of the ICR.

Second, this notice is to inform the public that an emergency review of this Information Collection Request has been requested in accordance with the Paperwork Reduction Act of 1995 (the Act) (44 U.S.C. Chapter 3507(j)). Approval by the Office of Management and Budget (OMB) has been requested by March 17, 2000. Emergency review is requested because of an unanticipated event outside the control of the National Assessment Governing Board. Interested persons are invited to submit comments to the address below on or before March 17, 2000 to inform the emergency review by OMB.

ADDRESSES: Written comments regarding the emergency review should be addressed to the Office of Information and Regulatory Affairs; Attention: Danny Werfel, Desk Officer; Department of Education; Office of Management and Budget; 725 17th Street, NW, Room 10235; New Executive Office Building; Washington, DC 20503 or should be electronically mailed to the internet address DWERFEL@OMB.EOP.GOV. Submit written comments identified by "ICR: VNT Research and Validation Support Studies (Option Year 2)." The National Assessment Governing Board will forward to OMB any comments received from the public in response to the January 17, 2000 notice inviting requests for public comment on this ICR and in response to this notice, extending the public comment period to March 17, 2000.

SUPPLEMENTARY INFORMATION: Section 3506 of the Act (44 U.S.C. Chapter 35) requires that the Director of OMB provide interested federal agencies and the public an early opportunity to comment on information collection requests. The Office of Management and Budget (OMB) may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or federal law, or substantially interfere with any agency's ability to perform its statutory obligations. In compliance with the Paperwork Reduction Act (44 U.S.C. 3501 *et seq.*), this notice revises a proposed information collection request (ICR) of the National Assessment Governing Board (the Governing Board, or NAGB) published on January 17, 2000. The information collection is to conduct two research and validation support studies related to test development for the proposed Voluntary National Test (VNT) during Spring 2000.
