

At the request of the State agency, the Department reviewed the certification for workers of the subject firm. Information provided by the State shows that Coach is a subsidiary of Sara Lee Corporation. Some workers at the subject firms' Medley, Florida facility have had their wages reported under a separate unemployment insurance (UI) tax account for Sara Lee Corporation. The workers were engaged in the production of leather handbags and accessories.

Based on these findings, the Department is amending the certification to properly reflect this matter.

The intent of the Department's certification is to include all workers of Coach who were adversely affected by increased imports.

The amended notice applicable to TA-W-38,276 is hereby issued as follows:

"All workers of Coach, a subsidiary of Sara Lee Corporation, Medley, Florida, who became totally or partially separated from employment on or after October 24, 1999 through December 4, 2000 are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974."

Signed at Washington D.C. this 7th day of February, 2001.

Linda G. Poole,

Certifying Officer, Division of Trade Adjustment Assistance.

[TA-W-37,987]

Hobman Corporation; Jim Thorpe, Pennsylvania; Notice of Affirmative Determination Regarding Application for Reconsideration

By letter of November 19, 2000, the petitioners requested administrative

reconsideration of the Department of Labor's Notice of Negative Determination Regarding Eligibility to Apply for Worker Adjustment Assistance, applicable to workers of the subject firm. The denial notice was signed on October 31, 2000, and was published in the **Federal Register** on November 16, 2000 (65 FR 69342).

The petitioners assert that the Department's investigation did not include PC boards produced by the workers in the time period relevant to the investigation (1998 through July 2000).

Conclusion

After careful review of the application, I conclude that the claim is of sufficient weight to justify reconsideration of the Department of Labor's prior decision. The application is, therefore, granted.

Signed at Washington, DC, this 6th day of February, 2001.

Linda G. Poole,

Certifying Officer, Division of Trade Adjustment Assistance.
